

## First-Year Connections Peer Mentor 2022

**Department:** Student Experience Office

**Term of Position:** September 2 to October 21, 2022

**Remuneration:** \$15.00/hour

7-week contract – Can be up to 5 paid hours per week

**Application Due:** March 25th at 4:30 pm (EST)

Through the [Mentorship Network](#), the [Student Experience Office](#) (SEO) at Carleton University has partnered with campus stakeholders to offer a peer mentorship program. [First Year Connections](#) (FYC) is designed to provide a leadership opportunity for upper-year students to support incoming first-year students in their transition to university.

Reporting directly to the Mentorship Coordinator at the SEO, Peer Mentors engage in individual virtual mentoring with up to 5 first-year students, Mentees as they are called in the program. Peer Mentors make email-based connections in early September with their Mentees and meet weekly via Microsoft Teams with each Mentee for the first 6 weeks of the Fall term (September to mid-October). Peer Mentors are responsible for completing meeting reports and program evaluations. First-Year Connections employs a team-based approach to mentoring, and therefore Peer Mentors will be assigned a Senior Mentor who will provide support and guidance in addition to the Mentorship Coordinator throughout the training and the program's duration.

Mentors will complete virtual (synchronous and asynchronous) comprehensive training including LivingWorks Start (suicide prevention training) and Peer Supporter Training through the Mentorship Network. Training for this occurs throughout Summer 2022. Mentors can progress through the majority of the training at their own pace, with guidelines and virtual check-ins throughout to stay on track. Additional optional training will also be offered to any interested successful candidates, and for some streams within the program. Selected mentors will receive CCR certification for the position as an FYC Peer Mentor as well as the training.
