

Senior Mentor Introduction Email

Cc: mentoring@carleton.ca

Welcome to the First Year Connections Program!

I hope you are just as excited as I am to meet your mentees, dive into training and be part of FYC!

I'm looking forward to acting as your Senior Mentor this year as part of FYC.

My experience with mentorship & leadership at Carleton includes: _____.

I am here to support you with FYC, answer any questions you may have and if I can't help directly, I can connect you with those who can help you.

Before training, be sure to connect with the mentees that you were assigned to set up a first meeting with each of them. This is a great way to ensure that they have someone to talk to right off the bat.

Let them know the experience you have, the program you are in, and a fun fact about yourself. You want your mentees to feel as comfortable with you as possible.

OPTIONAL: [I'd love it if you would CC me on your emails to your mentees so that I know when it's complete]

Otherwise, I will see you at training, and I'll connect back on September 5th!
