Thank you to the Carleton Music Faculty and Carleton's Production Team for helping and guiding me through creating this program.

Thank you to everyone performing with me today.
It's too good to be true playing with incredible musicians!

Thank you to my family for being by my side and supporting me in ways that I sometimes fail to see.

Thank you to my dear friends, colleagues, and students;
Your presence makes a difference in my life.

I LOVE YOU A LOT! XOXO
