Biography

Sachi is a singer-songwriter graduating from Carleton University. Originally a voice major, she found her love for songwriting along the way. By blending elements of indie, pop, folk, and rock music, she's created a unique sound of her own. With guidance from Kalle Mattson, she's grown into a skilled artist and performer. She's learned the rules of songwriting and can now break them.

ARTIST'S NOTE: I want to thank everyone who contributed to making this show a reality. To the talented performers, dedicated crew members, supportive teachers, and loving family, your unwavering encouragement and support have meant the world to me throughout this journey. I am so grateful for each of you and can't wait to see what comes next!
