

The Department of Neuroscience is now accepting applications for Summer 2019 Undergraduate Teaching Assistant Positions!

Eligibility to Apply

Required:

- Must be enrolled in a B.Sc. Combined Honours in Neuroscience or B.Sc. Neuroscience and Mental Health Program (Neuroscience and Mental Health minor students may be considered).
- Major CGPA of 10.0 (A-) or above in current program at the time of application.
- Must have previously completed the course in which you are applying (A- minimum final grade).
- Third or fourth-year standing preferred.
- Students holding an NSERC USRA for the summer term are **not** eligible to apply.
- Students must be enrolled in a 0.5 credit course in a portion of the summer term to qualify. Additional course load is highly discouraged, as TAship duties will take priority.

Asset:

- Previous TA experience (not limited to the Department of Neuroscience or Carleton University).
- Other relevant work experience.

Application Process

- **Enter Carleton Central. On the Main Menu, look under TA Management, then choose TA Outside Priority Applications and follow the instructions.**
- **Application deadline is Monday, April 15th at 11:59pm. Late submissions will not be considered.**

Responding to this advertisement does not guarantee a TA-ship and not all positions may be filled.

Only successful candidates will be contacted. All communication will take place via Carleton e-mail.
