

Instructions

This form can only be submitted up to the last day for course changes and the student must be registered in the course they are requesting permission to audit.

- Please complete Sections A-C below
- Obtain course instructor's approval (Section D)
- Obtain approval from the department offering the course (Section E)
- Undergraduate Students or Special Students should return this form to the Registrar's Office, 300 Tory Building
 Graduate Students should return this form to Graduate and
- Postdoctoral Affairs, 512 Tory Building

Note: Permission to audit is based on demand for credit registration and some courses are not available for audit purposes. Formal registration is required and students may be required to satisfy all registration requirements. Regular tuition fees apply to courses taken for audit. The deadline to request to change a course registration from credit to audit or audit to credit is the <u>last day for registration and course changes</u>. Students may not petition to change status from audit to credit after the last day to register. Graduate students are limited to a maximum of 1.0 course-weight registration per program.

Audited courses receive no academic credit, but are counted as part of your total course load. A full fee assessment for the course will be applied to your student account.
