STEPS TO SELF-ENROLL

1. Click on Discover to browse the courses available

2. Discover page - Find the course you desire to enroll in
3. Once you click on the thumbnail, an option to enroll shows up.

![Course Enrollment Screen]

4. Once you click ‘Enroll in Course’, The prompt displays a message letting you know the course has been added (successfully self-enrolled).

![Successful Enrollment Message]

5. The course has been added to your account.
