**November 2023
Information
Session**

**Early 2024
Information
Sessions**

**March/April 2024
Parking Permit
Holders choose
new lot**

**May to September 2024
Demolition of P9**

Impact on Parking

- P9 Permit holders will have option of moving to P7 or P18
- P9 accessible permit spaces will move to University Drive, in front of Maintenance Building
- Visitor & Campus Tours & BOG office will have option of: P2, P4B, P10 lots
- P9 Electric Vehicle Charging Stations will be moved to new location

Demolition Overview

- Area around the site will be hoarded off April 2024
- Demolition scheduled to begin May 2024 until September 2024
- North pathway around Pigiarvik and south access to Science Technology Centre may be impacted
- Noise, dust and vibration to be expected

Next Steps

- Plan 2024 Information Sessions
- Promote website with FAQs
- Engage P9 permit holders with options
- Engage offices in Pigiavik with external client parking needs
- Communicate updates as information is available
