

**Welcome to PASS, a safe and collaborative learning space!**

Please be prepared to participate in group activities with your camera and audio turned on. This worksheet will be an important tool used throughout the workshop, have it ready to be filled out!

---

**Opener: Introduce a friend (10 Minutes)**

Get to know your classmates by introducing a friend to the group after answering a discussion question in pairs.

**Activity 1: Post- It Matrix (20 Minutes)**

Using technology post a note onto the whiteboard to review the many methods of measuring crime. Make sure to fill out your matrix to use as study tool later in the course!

	<b>UCR2</b> (Uniform Crime Reporting Survey)	<b>CSI</b> (Crime Severity Index)	<b>GSS</b> (General Social Survey)
<b>What does it measure?</b>			
<b>When and why was it established?</b>			
<b>Strengths and benefits</b>			
<b>Issues and drawbacks</b>			

**Activity 2: Crime Statistic and Victimology Trivia (20 Minutes)**

Test your knowledge of chapter 5 in a game of trivia. Indicate your answers by sitting and standing (webcams required). Take notes below!

**Activity 3: Fill in the Funnel! (20 Minutes)**

In breakout rooms discuss the process by which a behaviour becomes a crime statistic. Use the “ask for help” button if you require assistance.

**Closer: Growth Gardens (10 minutes)**

As a group identify what’s in your gardens of growth: rose, buds, and thorns. Type your response into the chat to help structure future workshops!
