## **1 SUMMARY**

---

- Innovative, highly-productive, and widely-respected research record that forges new ground in a series of fields: Latin American politics, North American relations, and the analysis of the role of civil society in global political economy;
- Outstanding record of public outreach, including long record of media commentary as well as collaboration with Canadian and Latin American civil society organizations, promoting more equitable and sustainable societies;
- Widely cited research: 1,454 citations in Google Scholar (as of January 30, 2019);
- Work commonly included in curriculum for Canadian Foreign Policy, Latin American politics, Canadian and International Political Economy courses.

## **2 EDUCATION**

---

***PH.D., POLITICAL SCIENCE, YORK UNIVERSITY, 1992.***

Title: "Supporting Civil Society: The Political Impact of NGO Assistance to Costa Rica and Nicaragua".
