

OBJECTIVE

The objective of the T3010 Users Research Day is to offer an opportunity to discuss different issues and challenges regarding the data collected and amelioration of research on the Registered Charity Information Returns (T3010) filed by charities with the Canada Revenue Agency (CRA). The one day think tank will be attended by academics, government representatives (CRA, Finance Canada, Statistics Canada), practitioners and professionals.

Discussion papers has been prepared to provided background on the issues.
