## COURSE DESCRIPTION/INSTRUCTOR'S STATEMENT

You will have an opportunity to engage with the discipline outside the classroom to develop your professional skills that are associated with the success in the workplace and increase your awareness of how psychology can be applied in the workforce.

There are two in-class sessions for this course (virtually) at the designated class time. These two sessions are mandatory. The remainder of your time will be spent at your placement. You will need to work a minimum of 84 hours for a .5 course credit. The placement may be completed remotely depending on the covid situation. The specific times you spend at the placement may vary.

There is one essential document to read and familiarize yourself with prior to the start of the course, ***Practicum Infopack***, available online,
