

COURSE NAME AND CODE

Course	PSYC 4333 – Clinical Psychology: Assessment and Interventions
Instructor	Marina Milyavskaya
Term	Winter 2021
Email Address	Marina.milyavskaya@carleton.ca
Office Location	SSRB 314B
Office Hours	TBA

COURSE DESCRIPTION/INSTRUCTORS STATEMENT

This course is an advanced seminar on clinical psychology and mental health. Students will learn about frequently used treatment modalities and common factors across treatments. They will also learn about research methodology and recent advances in clinical science by reading and discussing recently published empirical papers dealing with a variety of common mental disorders. This course will be synchronous/in person (if possible) or blended.

EVALUATION

Students will be evaluated based on weekly thought papers, class participation and presentations, and a final paper.

TEXT

Selected journal articles and chapters, posted on CuLearn.
