Office Hours	Before and after each class

### COURSE DESCRIPTION/INSTRUCTORS STATEMENT

The aim of this course is to provide you with an overview of the field of forensic psychology, which concerns the relationship between psychology and the law/legal system. We will discuss and critically evaluate a variety of topics, including police investigations, deception detection, police interrogation techniques, eyewitness testimony, jury decision making, criminal responsibility, fitness to stand trial, sentencing, treatment of offenders, psychopathy, risk assessment, and forensic science. Classes will consist of lectures, activities, videos, and discussions.

### EVALUATION

Engagement Assignments: 8%

2 Midterm exams: 80%

In class assignment: 12%
