**PRACTICUM IN PSYCHOLOGY (PSYC 5903/6903)
FIELD EVALUATION FORM (2024-2025)**

Dear Placement Supervisor:

I would like to take this opportunity to thank you for your support of the Practicum in Psychology (PSYC 5903/6903). You have provided an important opportunity for a student to learn in a community setting and have made an important contribution to their degree program.

One of the final tasks involves a formal evaluation of student performance. More specifically, we request that you complete the Field Evaluation Form. The information that you provide will assist the Course Instructor in determining whether the student will receive course credit for the placement.

Please complete the Field Evaluation Form with reference to the expectations you held for the student in terms of the initial contract and, where possible, with reference to previous Practicum students that you have supervised. All information will be treated as confidential, although you are encouraged to discuss the evaluation with the student.

You are asked to forward an electronic copy of the evaluation to practicumpscychology@cunet.carleton.ca.

For students to receive a placement credit, evaluations must be received no later than August 14, 2024 for the Summer term, December 6, 2024 for the Fall Term and April 8, 2025 for the Winter term.

Should you have any questions, comments, or suggestions, please do not hesitate to reach out. We can be reached at practicumpscychology@cunet.carleton.ca.

Sincerely,

Kaitlin Barkley (Acting)
