COURSE DESCRIPTION/INSTRUCTOR'S STATEMENT

The goal of this course is to help you extend your breadth of knowledge in areas of psychology beyond your main area and thesis topic, as well as teach professional development skills. The course will target each psychology area of the Psychology Department (health, forensic, social/personality, cognitive, developmental). Course meetings are in person and include a series of internal and external speakers, as well as academic/practical skill workshops.

EVALUATION (SUBJECT TO CHANGE)

The grading for this course is satisfactory/unsatisfactory.

For MA students, the only course requirement is attendance.

For PhD students, the course requirements are attendance as well as the completion of five assignments over Fall & Winter term. A

TEXT

There are no mandatory readings for this course, though there will be optional materials provided.
