Application

7. Scholarship time commitment - You will be required to get sabbatical leave for the duration of the award. How will you be able to commit to this time?

You can choose from 2 award lengths. A third of this time will be spent at the research placement (travel permitting) virtually or in person.

- Short-term: 30-60 days
- Mid-term: 61-180 days
- Write a short motivation for your commitment.
