Generic Calendar Blurb:
Study of a period or theme in the art and archaeology of Ancient Greece. This course is repeatable for credit when the topic changes.

Winter 2017: This course will focus on the three cultures that arose in Greece during the Bronze Age: Cycladic civilization, the Minoans, and the Mycenaeans. Emphasis will be placed on archaeological discoveries as evidence for the earliest history and beliefs of the Aegean, and as background to later Greek culture, but written records will also be addressed. We will discuss architecture, pottery, painting, jewellery and other minor arts to reconstruct these societies and their beliefs.

Make-up tests will only be given for valid reasons. The instructor must be informed immediately and appropriate documentation produced. Make-up tests are scheduled within one week of the original test and at the professor’s convenience. Students will be expected to produce their Carleton Student ID card at the final exam.

Research Bibliography and Essay: Students should develop their essay topic in consultation with the professor. All topics must be approved by the professor by February 6. Essays on topics that have not been approved will not be accepted.
The research bibliography and essay are due by the end of their respective classes. If they are not in my hands by the time I leave the classroom on those dates, they are late and a penalty will be assessed.
The penalty for late submission will be 10% subtracted from the grade for each working day late (ie. 1 day = minus 10%; 2 days = minus 20%; 3 days = minus 30%; 4 days = minus 40%; 5 days = minus 50%). After five days, the late work will receive a mark of zero.

**Academic offences:** All students are expected to know what constitutes an academic offence, to avoid committing academic offences, and to take responsibility for their academic actions. Academic offences include things like plagiarism, cheating, improper research, obstructing academic activity, double submission, unauthorized cooperation / collaboration, impersonation, falsification etc. When the commission of an academic offence is established, disciplinary penalties will be imposed in accordance with the regulations of the Faculty of Arts and Social Sciences.

A **normal penalty for a first offence is a mark of zero** for the work that is affected. Stiffer penalties may be imposed, and are normal for subsequent offences.

This policy can be read in full online at: http://calendar.carleton.ca/undergrad/regulations/academicregulationsoftheuniversity/acadregsuniv14/

The last date to withdraw from FALL TERM courses is DEC. 9, 2016. The last day to withdraw from FALL/WINTER (Full Term) and WINTER term courses is APRIL 7, 2017.

REQUESTS FOR ACADEMIC ACCOMMODATION
You may need special arrangements to meet your academic obligations during the term because of disability, pregnancy or religious obligations. Please review the course outline promptly and write to me with any requests for academic accommodation during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist. You can visit the Equity Services website to view the policies and to obtain more detailed information on academic accommodation at: carleton.ca/equity/accommodation/

Students with disabilities requiring academic accommodations in this course must register with the Paul Menton Centre for Students with Disabilities (PMC) for a formal evaluation of disability-related needs. Documented disabilities could include but not limited to mobility/physical impairments, specific Learning Disabilities (LD), psychiatric/psychological disabilities, sensory disabilities, Attention Deficit Hyperactivity Disorder (ADHD), and chronic medical conditions. Registered PMC students are required to contact the PMC, 613-520-6608, every term to ensure that your Instructor receives your Letter of Accommodation, no later than two weeks before the first assignment is due or the first in-class test/midterm requiring accommodations. If you only require accommodations for your formally scheduled exam(s) in this course, please submit your request for accommodations to PMC by Nov. 11, 2016 for the Fall term and March 10, 2017 for the Winter term. For more details visit the Equity Services website: carleton.ca/equity/accommodation/

PETITIONS TO DEFER
If you miss a final examination and/or fail to submit a FINAL assignment by the due date because of circumstances beyond your control, you may apply a deferral of examination/assignment. If you are applying for a deferral due to illness you will be required to see a physician in order to confirm illness and obtain a medical certificate dated no later than one working day after the examination or assignment deadline. This supporting documentation must specify the date of onset of the illness, the degree of incapacitation, and the expected date of recovery. If you are applying for a deferral for reasons other than personal illness, please contact the Registrar’s Office directly for information on other forms of documentation that we accept.

Deferrals of a final assignment or take home, in courses without a final, are not trivial. They can include a final grade of “F” for the course.
