

ABOUT CÉGEP HERITAGE COLLEGE

Cégep Heritage College in Gatineau is the only public CEGEP in Western Quebec that offers post-secondary English language education. Heritage College provides college-level learning to more than 1 500 students in Regular Education Programs and Continuing Education. Cégep Heritage College employs a dynamic team of more than 220 faculty members and staff.

COMPETITION NUMBER

C21-22-RE-24

POSITION

Teacher - Computer Science (Winter 2022)

The College is seeking a part-time and/or full-time professor to teach ONSITE in the Winter 2022 term.

****The successful candidate will ideally have a mix of Computer Science skills as other Computer Science course opportunities are likely to open up for upcoming semesters.***

WINTER 2022

420-K50-HR Development Project II

(12 hours of theory per week plus additional weekly availability to the students should they required help outside of class hours.)

Students integrate the skills they have acquired in their previous courses by participating in a project to design and implement a web based computer application involving a database. Their primary responsibility is to complete the development of the application started in the Development Project I. Working in project teams, the students design, code and test the application, produce documentation and manage the project to the point where it is ready for production. They complete a portfolio of their program accomplishments.

WORK LOCATION

325 boul. de la Cité-des-Jeunes, Gatineau, Quebec, Canada, J8Y6T3

SALARY RANGE (ANNUAL)

42,431.00\$ - 91,023.00\$

ROLE SUMMARY

In a general way, the professor's teaching load shall include: preparation of course outline; preparation of classes, labs and fieldwork; teaching classes; adaptation; support and supervision of students; preparation, invigilation and correction of examinations; revision of corrections at the students' request; participation in pedagogical days organized by the College; participation in departmental meetings and required activities. May also include

departmental coordination; program committee coordination; special support and supervision activities; participation in program activities; program development; implementation and evaluation; and institutional development.
