

THE INTERNATIONAL NEUROTECHNOLOGY NETWORK FROM HACKERS TO EXPERTS

Connectome Web Dev Internship 2021

Interested in assisting with building community support features on the front- and back-end of the NeuroTechX (NTX) website? The NTX Connectome Committee is eager to support the growth of one talented intern toward developing skills related to website development and bespoke feature management.

Duration (flexible): Six weeks, full-time

Start date (expected): June 28, 2021

Wage (non-negotiable): \$14.35 CAD per hour

Responsibilities

- Creating a protected portal through which NTX volunteers access important resources
- Integrating public user profiles into the website
- Auditing and improving current web architecture and UX
- Improving scalability
- Performing website maintenance
- Collaborating on special projects with other NTX Initiatives

Requirements

- Canadian citizen, permanent resident, or person to whom refugee protection has been conferred
- Between 15 and 30 years of age
- Have a strong and demonstrable interest in neurotechnologies
- Understand and enjoy website development
- Demonstrate relevant experience (preferred, not required)

Rewards

- Acquire applied skills and work experience
- Increase your professional visibility
- Learn about the field and the key players of neurotechnology
- Deepen your network with valuable and quality connections
- Have a fun and flexible experience with an international community

To apply for this position, please email a two-page (max) resume and one-page cover letter (optional) to chapters@neurotechx.com with “*Connectome Web Dev Internship - First Name / Last Name*” in the subject line.

About NeuroTechX: [NeuroTechX](#) (NTX) is the largest international community for neurotechnology enthusiasts. Comprising a global community of over 16,000 members, NTX is a non-profit organization whose mission is to facilitate the advancement of neurotechnology by providing key resources and learning opportunities, and by being leaders in local and global technological initiatives. Each year, NTX hosts more than 100 gatherings globally across 25+ Chapters. These events are regularly marketed through the NTX newsletter and social media, a combined digital reach of over 15,000.

This internship is made possible by support from the Government of Canada through the Canada Summer Jobs 2021 program.
