

## Course Registration Priority List:

**Important Reminder for BCS 4<sup>th</sup> year standing and stream students:** You have been given registration priority for courses required in your program. Please ensure that you register prior to July 28, 2026. Any remaining seats will be released to other students, and there is no guarantee that access can be granted if the course becomes full.

**Important Note to all non-BCS students:** Approval to take a course does not guarantee there will be space in the course at the time of registration. Students must have the required prerequisite(s) to register, and access is space permitting. You may be approved to join a waitlist if applicable.
