

Carleton University Students,

If you are currently enrolled in a Computer Science or related technical program then this event will definitely be of interest to you!

Want to learn more about Node.js? We will provide a two hour training session on one of the hottest technologies today!

Do you love games? How about coding with a group of like-minded developers? Qlik is hosting a hack day event for you! We have developed a game as the theme for the event, and we're going to have some fun with it.

Specifics of what you'll be doing are still classified and will be revealed at the hack day. Your mission if you choose to accept it is to have fun, compete, and learn with the best developers on campus and win prizes!

**Qlikathon**  
**Thursday, October 27, 2016**  
**9am – 5pm**  
**Qlik Office @ 390 March Rd, suite 100.**

*Transportation to and from Carleton University will be provided.*

*Lunch and snacks will be provided.*

To sign up for this event, please email us at [hackathon@qlik.com](mailto:hackathon@qlik.com) and include your information as follows:

1. What is your Full name?
2. What University are you attending?
3. What program are you enrolled in?
4. Are you in your 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> or 4<sup>th</sup> year?
5. How did you hear about this event?

Let the fun begin. We'll see you on October 27<sup>th</sup>!
