September 21 2:30pm  
September 21 6:00pm  
September 28 2:30pm  
September 28 4:00pm  
**September 29 6:00pm**  
September 30 2:30pm  
September 30 4:00pm  
October 5 2:30pm  
October 5 4:00pm  
October 6 4:00pm  
October 7 2:30pm  
October 7 4:00pm  
October 12 2:30pm  
October 12 4:00pm  
October 13 4:00pm  
October 14 2:30pm  
October 14 4:00pm  
November 9 2:30pm  
**November 9 6:00pm**  
November 10 1:00pm  
November 15-19  
November 16 8:00pm  
November 17 1:00pm  
November 23 2:30pm  
November 23 6:00pm  
November 24 4:00pm  
November 25 4:00pm  
**January 17- 21**  
January 19 2:30pm  
January 19 4:00pm  
January 20 2:30pm  
January 25 2:30pm  
January 25 6:00pm  
January 26 2:30pm  
January 26 3:30pm  
January 27 4:00pm  
February 1 2:30pm  
**February 1 6:00pm**  
February 2 2:30pm  
February 7 2:30pm  
February 8 2:30pm  
February 9 2:30pm  
February 9 6:00pm  
**March 1 6:00pm**  
March 2 2:30pm  
March 7- 11  
March 16 2:30pm  
March 17 4:00pm  
March 22 2:30pm  
March 23 2:30pm  
March 23 4:00pm  
March 31

Using the Command Line  
Writing a Physics 1001 Lab Report  
Writing a Physics 1007 Lab Report  
Writing a Physics 1001 Lab Report  
Game Night  
Getting into Medical School: The Basics  
Getting into Graduate School  
**Science Student Alumni Mixer**  
What I Can Do with My Science Degree (Pt. 1)  
Using Git Part 1  
Medical School: Extracurricular Activities  
Writing a Physics 1007 Lab Report  
Writing in LaTeX  
What I Can Do with My Science Degree (Pt. 2)  
Using Git Part 2  
Getting into Research  
Finding the Right Honors Thesis Supervisor  
Getting into Medical School: The Basics  
What I Can Do with My Science Degree (Pt. 3)  
Writing a Chemistry Lab Report  
Getting into Medical School: The MCAT  
**Science Networking Forum**  
Chiropractic Info Session  
Science Kindness Week  
SSSC Presents Open Mic Night  
UMHS Info Session  
Studying for Science Exams  
Medical School Mixer  
Studying for Computer Science Exams  
Studying for Science Exams  
**Science Lab Tour Week**  
Using Git Part 1  
Getting into Research  
Finding the Right Honors Thesis Supervisor  
Getting into Medical School: The MCAT  
Science Trivia Night  
Using Git Part 2  
Writing in LaTeX  
Getting into Graduate School  
Getting into Medical School: The Basics  
**Computer Science Industry Mixer**  
Study Strategies and Time Management  
Multiple- Mini Interview Practice  
Medical School: Extracurricular Activities  
How to Apply for a DSRI  
Carleton Coding Challenge  
**Med Night**  
Exploring Health Care Professional Schools  
Science Kindness Week  
How to Design a Thesis Poster  
How to Design a Thesis Poster  
Studying for Science Exams  
Studying for Computer Science Exams  
Studying for Science Exams  
Poster Presentation Practice

#### MENTORING

Get matched with an upper-year mentor in your major. Let them guide you through:

- Adjusting to University
- Preparing for Exams
- Getting Involved in Clubs and Societies
- Applying to Research Positions
- Applying to Graduate School
- Studying for Particular Classes

#### ACADEMIC SUPPORT

Throughout the school year, supplement your classroom learning with SSSC workshops such as:

- Formatting a Lab Report
- Studying for Science Exams
- Matters Series
- Time Management

#### CAREER/ RESEARCH

Attend a workshop on getting into graduate school, speak to an experienced undergraduate researcher one-on-one, explore our online resources or find your career path by meeting professionals at the SSSC's networking events:

- Science Student Alumni Mixer
- Finding the Right Honors Thesis Supervisor
- Science Networking Forum
- Getting into Research Workshop
- Science Lab Tour Week
- NSERC USRA and DSRI support

#### COMMUNITY

Meet students in the Faculty of Science by participating in the SSSC's social activities such as:

- Science Trivia Night
- Science Kindness Week
- Science Open Mic Night
- Game Night

#### HEALTH CARE

Interested in health care? Consider your career possibilities by attending a workshop or exploring our online resources on:

- Medical School
- Dentistry
- Med Night
- Multiple Mini Interview Practice
- MCAT Preparation
- Other Health Care Professions

#### COMPUTER SCIENCE

Enhance your computer science skills, develop coding abilities by attending the annual Carleton Coding Challenge, and interact with computer science professionals from various tech companies.

- Computer Science Industry Mixer
- Using the Command Line Workshop
- Carleton Coding Challenge
- Google Technical Interview Practice

3431 Herzberg Laboratories  
613-520-2600 ext. 3111
