

Congratulations

To all TA Award Winners and Nominees for 2019-20 academic year!

Manuel Lebron Flores - School of Computer Science TA Excellence Award Winner (Undergraduate)

Francois-Xavier Chaplain Corriveau - School of Computer Science TA Excellence Award Winner (Graduate)

Kevin Hua - EDC's Outstanding TA Awards Winner

Nominees:

Joyce Bacic

Matthew Bennett

Maximilian Dobrei

William Findlay

Matthew Germain

Fardeen Haque

Vinh Nguyen

Guillaume St-Pierre

Christopher Bellman

Lee (William) Croft

The nomination is in recognition of the excellent support TAs give to the undergraduate students in establishing a positive learning experience and implementing innovative teaching practices.

Thank you for your dedication as a TA in the School of Computer Science.

Congratulations again on a job well done!
