6. COMMITTEE CHAIR REPORTS

Committee chairs and vice-chairs were introduced and those present provided a brief overview of their respective committees.
7. ITEMS FOR ACTION

Governors received the Audited Financial Statements for the years ended April 30, 2013 and 2012. The Chair of the Audit and Finance committee summarized the report noting that the University received a clean audit report from KPMG.

There was some discussion relating to the losses in the endowment fund. The Vice-President (Finance and Administration) noted that there is an asset liability study underway examining how the endowment fund is invested with possible alternative investment arrangements. It is expected that the study will be concluded within a few weeks at which time the Investment Committee will review the report and make recommendations to the Finance Committee. The President noted that the University could receive a generous donation from one of the asset managers to partially cover some of the losses.

It was moved by Dr. Freedman and seconded by Mr. Wolfenden that the Audited Financial Statements for the years ended April 30, 2013 and 2012 be approved. The motion carried.

7.2 Naming for Aboriginal Center

7.3 Revisions to the Constitution of the Faculty of Arts and Social Sciences

The Chair explained that the Board, at its 576th meeting held in January 2013, was asked to approve changes to the constitution of the Faculty of Arts and Social Sciences. As the Board expressed concerns with Section II.4 – quorum and Section V.2 (i): deletion of “two students, one graduate and”, a motion was passed approving proposed changes with the exception of sections II.4 – quorum and V.2 (i).

The Board was now presented with revisions to Section II.4 quorum. The quorum has been revised to 30 voting members and includes at least one member from at least two-thirds of the Faculty’s Departments.
It was moved by Ms. Griffin-Hody and seconded by Dr. Freedman that the constitution of the Faculty of Arts and Social Sciences be approved, as amended. The motion carried.

7.4 Terms of Reference for the Finance Committee

The Vice-President (Finance and Administration) reviewed the proposed changes to the terms of reference. He explained that the terms of reference for the Endowment Investment Committee were revised to include some Finance Committee oversight. Since there are reporting and approval requirement from Finance Committee, the terms should be updated.

Governors advised that the frequency of receiving and reviewing reports on the performance of endowed funds should be re-examined as they felt that annually may not be sufficient. Finance Committee should have a discussion on the appropriate frequency of receiving reports on the performance of endowed funds. The terms of reference will be brought back to the Finance Committee for further deliberation.

7.5 Board Representative on Senate

The Chair reported that as per Board bylaws, four members of the Board serve on Senate for a one-year term. Currently, there are two Governors appointed to Senate. He was pleased to report that a Board member has agreed to serve on Senate.
