Article 1. Governance Structure

Carleton University is governed by a bicameral system that is established by the Carleton University Act, a statute of the Province of Ontario. The two bodies are the Board of Governors (the senior body) and the Senate. In general terms, the Board of Governors is the corporate head of the university while Senate, subject to Bylaws as may be passed by the Board from time to time, is the academic head. This policy document is concerned with the academic governance structure of the university. It begins with the organization of Senate.

Article 2. Authority

3.3.1. Clerk of Senate

The Clerk of Senate shall be a full-time tenured faculty member, elected by Senate to serve for a term of three years, and shall be eligible for re-election.

3.3.2 Faculty members (elected by their Faculty Boards)

For the purposes of this document “faculty member” means full-time employees of the University holding the academic rank of professor, associate professor, assistant professor, lecturer, professor (teaching stream), associate professor (teaching stream), assistant professor (teaching stream) or lecturer (teaching stream), engaged in the work of teaching or research.

The membership of Senate includes 41 faculty members who are members of the Faculty Boards of: Arts and Social Sciences, Public and Global Affairs, Sprott School of Business, Science, Engineering, Architecture, Computer Science, Industrial Design and Information Technology.

Such members shall be elected by their respective Faculty Boards. Of the 41, the numbers from each Faculty Board shall be as determined, from time-to-time, by Senate, following the principles that, as nearly as possible, the distribution shall be proportional to the number of faculty members serving on each Faculty Board (including those on leave) and that each Faculty Board has at least one elected faculty representative on Senate.

Faculty members holding an administrative appointment outside of their Faculty are not eligible to be elected as a faculty member of Senate.

The elected faculty members of Senate include the Secretaries of the Faculty Boards (as described in Section 11.4) who have, in turn, been elected by their Faculty Boards.

3.3.3. Students (13 members)

The membership of Senate includes ten (10) students who are registered in an undergraduate program and three (3) students who are registered in a graduate program. Such members shall be elected by the students in the respective programs; and the distribution of students between programs shall be as determined, from time-to-time, by Senate, following the principles that, as nearly as possible, the distribution shall be proportional to the number of students registered in each program and that at least one (1) of those members is a doctoral student. At least seven (7) of the ten (10) undergraduate students must be registered in a degree program.

3.3.4 Contract Instructors

The membership of Senate includes two members of the teaching staff who are Contract Instructors. A Contract Instructor is an employee hired to teach a course approved for credit by Senate, excluding:

- (a) retired academic staff and professional librarians who, prior to their retirement, had an academic position at Carleton University.

Such members shall be elected by Contract Instructors teaching at least 0.5 credits in the academic year (July 1 to June 30) in which the election takes place.

3.3.5 COU Academic Colleague

The membership of Senate includes the COU Academic Colleague. Senate elects a faculty member, not necessarily a member of Senate, to serve as the Academic Colleague of the President at meetings of the Council of Ontario Universities (COU). The Academic Colleague makes regular reports to Senate on the activities of COU. Senate may also elect an additional faculty member to serve as alternate to the Academic Colleague.

3.3.6 Alumni Representative

The membership of Senate includes a representative of the Alumni Association. The Alumni Association representative is elected to Senate upon a recommendation from their association, which is brought to the Senate Executive Committee, and then to Senate.

3.4. Board of Governors Representatives on Senate

The Board appoints two of its members to serve as representatives on Senate; both members have full voting privileges.

Article 4. Membership

- 4.1. Members of the Senate, in their function as members of this body, do not act as delegates of the bodies or constituencies from which they were drawn; rather, as members, all must endeavour to serve the interest of the entire University to the best of their ability; and all must observe the policies and practices of the body on which they serve with respect to the disclosure of its proceedings.
- 4.2. Members of Senate are free to discuss matters brought before the Senate and express opinions on these matters with persons outside the Senate unless the Senate has declared the same matters to be confidential.
- 4.3. Terms of Office
 - 4.3.1. *Ex officio* members serve on Senate for the term of their office. Elected student members serve for terms of one year and are eligible for re-election. The term on Senate for elected faculty and appointed members is three years, and such members are eligible for re-election or re-appointment.

The term limit on Senate for elected contract instructors is three years, and such members are eligible for re-election. To serve the full term, contract instructors must continue to teach at least 0.5 credits at Carleton for each academic year (July 1- June 30) they serve on Senate.
 - 4.3.2. Senate elects two of its faculty members to serve three-year terms on the Board of Governors. Senators, who serve in this capacity, shall have their Senate term extended to be coterminous with their Board term.
 - 4.3.3. Undergraduate student members of the Senate shall have their term at the departmental (and Faculty Board) level extended to expire at the same time as their term on the Senate. A student senator who has their term at the departmental (and Faculty Board) level extended, under this rule, is in addition to those students who are elected to the governance positions at the departmental level in accordance with Article 12.2.
 - 4.3.4. The terms of office, as Senators, of the student Presidents begin on May 1st or as soon as possible after this date subject to completion of the associations' election processes. Other elected and appointed members of Senate begin their terms on July 1, except for Contract Instructors, whose term of service begins October 1.
- 4.4. Eligibility and Elections
 - 4.4.1. Senate is empowered to pass such regulations as it may, from time to time, consider appropriate prescribing procedures for nominating, qualifications of voters and candidates, and elections, and for the final determination of any dispute or

question of qualification, eligibility and constituency of voters and candidates, and of validity of ballots or votes.

4.4.2. All members of faculty are eligible to serve on Senate.

4.4.3. To be eligible for elected service on Senate, students must have been previously elected to a governance position under this policy at the faculty or department level. An exception is made for students who have completed an undergraduate degree. These students are eligible as candidates for student positions on Senate after they have accepted an offer of admission to a Carleton program. The student is expected to have previous experience in a governance position at Carleton or another university and is eligible to serve only after registration.

4.4.4. To be eligible for elected service on Senate, Contract Instructors must have taught at least 1.5 credits in the past two years. A Contract Instructor will have been deemed to have resigned their seat on Senate if they have not taught at least 0.5 credits in a 12-month span.

4.4.5. A Senator taking sabbatical (or other) leave must relinquish their Senate membership. On returning from leave, the faculty member, wishing to serve on Senate, must stand for a new three-year term.

4.5.6. Any full-time faculty member who is not formally a member of a Faculty Board that has the power to elect Senators is, for purposes of election of members to the Senate, considered a member of the most appropriate Faculty Board. Cross-representatives from one faculty to another do not participate in elections from the latter faculty to the Senate.

4.6.7. *Ex officio* and special appointment members of Senate are not eligible for elected positions during the period they occupy their *ex officio* or appointed positions.

4.6.8. If a vacancy in an elected position occurs on Senate and the remaining term is four months or less, the position will be left vacant until the next academic year. Except in the case of elected student Senators, if more than four months remain, a by-election will be held to fill the position and the elected member will serve for the remainder of the academic year plus an additional three-year term. In the case of elected student Senators, if a vacancy occurs and more than four months remain, a by-election will be held to fill the position and the elected member will serve for the remainder of the academic year.

4.7. Attendance

Any elected member of Senate who, without having given prior notification and not being prevented by circumstances beyond his/her control in each instance, is absent from two-thirds or more of the meetings of the Senate in any period from the first day of July to the

thirtieth day of June following in any year shall be conclusively deemed to have retired from the Senate at the end of that period, and an entry of such retirement in the minutes of the proceedings of Senate shall be sufficient evidence thereof.

4.8. Minimum Academic Requirements for Student Participation

To be eligible to serve as a student member of Senate or on a Senate Committee, students must meet the following requirements. If any of these requirements is not satisfied during the term of service, the student must resign from this position.

4.8.1. Undergraduate Students

1. Be registered at the University as a student in an undergraduate program;
2. Be registered in at least one course in each of the Fall and Winter Terms in the academic year when they were elected and during their period of service;
3. Have completed successfully at least 4.0 credits prior to service; and
4. Maintain the academic status of Eligible to Continue throughout their period of service.

For Requirement 4, the academic status of the student will be assessed at the start of each academic term during service using the Senate-approved regulations for the evaluation of students.

4.8.1. Graduate Students

1. Be registered as a degree student in a graduate program during the period of service;
2. Be actively engaged in pursuit of this degree during each term of service or, if on academic leave from studies, still able to fulfill the obligations of service.

Article 5. Senate Procedures

5.1. Chair

The President serves as Chair of Senate. In the absence of the President, the Provost serves as Chair. If both the President and the Provost are absent, then Senate will elect one of its members to serve as Chair.

5.2. Meetings

- 5.2.1. The meetings of Senate are conducted under the Senate Rules of Order – contact the Senate Office for more information.

- 5.2.2. Unless otherwise determined by Senate Executive, Senate meets once a month during the period from September to June. A special meeting of Senate shall be convened upon the request, to the Clerk, of at least 10 members of Senate. Senate Executive may call a meeting with short notice when an issue arises that requires a timely response.
- 5.2.3. Senate may declare all or any portion of a meeting to be a Closed Session. In particular, all meetings that deal with graduation or with individual student files are held in Closed Session. Only members of Senate and Officers of the University may remain in the meeting room during a Closed Session.
- 5.2.4. A Question Period is required at the beginning of each Senate meeting, and up to one-half hour of the Senate meeting is devoted to it. Questions should be in writing and be submitted to the Senate Office 2 weeks prior to the Senate meeting to permit preparation of an answer and to ensure proper recording in the minutes.
- 5.2.5. Following the customary procedure of elected parliamentary bodies, Senate sets aside space at its meetings for spectators from the Carleton University community and representatives of the news media. Senate has the right to make exceptions to this provision and decisions to that effect shall be made at an open meeting of Senate.
- 5.2.6. Quorum for a meeting of Senate is 25% of the membership of Senate at the time of the meeting.
- 5.2.7. The Notice of Motion period for a short notice meeting of Senate is 48 hours and the meeting will be limited to considering the specific issues identified by Senate Executive. No regular business of Senate will be considered at a short notice meeting. Any decisions taken at a short notice Senate meeting will be reviewed at the next scheduled Senate meeting. If Senate is not scheduled to meet within a month of the short notice meeting, an additional meeting of Senate with at least 10 days notice will be called within the month following the short notice meeting. All other rules of Senate, including quorum, will apply to a short notice meeting of Senate. Decisions made by Senate in short-notice meetings have the same weight and authority as decisions made in regular Senate meetings.
- 5.2.8 Electronic Voting: Occasionally, Senate is required to make decisions on a motion before the next scheduled Senate meeting. In cases where Senate Executive believes that the motion is clear and unlikely to engender debate, an email poll may be held to make a decision. In such cases, the Clerk of Senate will circulate, to all senators, the motion and background material. An electronic vote will be held which allows Senators at least two working days to vote. Should any Senator make the Clerk of Senate aware of a substantive issue regarding the motion during this time, the vote will be suspended for resolution at a future meeting of Senate.

For an electronic poll of members of Senate to be valid, there must be a response from 25% of the membership of Senate at the time of the poll.

5.2.9 Electronic Meetings: In cases where Senate as a group is not able to meet in person, the Clerk may determine that a meeting of Senate may be held electronically, by any means that allows Senators to communicate adequately with each other and with the Chair. Regular meeting procedures should be followed as closely as possible in the electronic format. The Senate Office will provide Senators with a notice to shift to electronic format along with the protocols normally followed for electronic meetings.

5.3. Communication and Records

5.3.1. Agendas and Minutes

Once approved by Senate Executive, the agenda and supporting documentation for each Senate meeting are made available to all members of Senate approximately one week prior to the meeting.

After approval by Senate, the minutes of each Senate meeting are posted at the Senate Website. Original copies of all minutes and documentation are available in the Senate Office and the Carleton University Corporate Archives.

5.3.2. Communication

The standard mode of communication between the Senate Office and Senators is via electronic mail. Canonical e-mail addresses are used for on-campus members of Senate and external members provide an e-mail address that the office uses for communication.

Article 6. Clerk of Senate and Senate Office

6.1. Clerk – Term of Office

The Clerk of Senate shall be a full-time tenured faculty member, serve for a term of three years and be eligible for re-election.

6.2. Clerk – Responsibilities

The Clerk of Senate shall:

- (a) Manage the affairs of Senate
- (b) Serve as Marshal of Convocation
- (c) Serve as Secretary of the General Faculty Board
- (d) Serve as Senate Electoral Officer
- (e) Manage Senate Committees memberships

Annually, with the approval of Senate, the Clerk may designate a full-time, tenured faculty member to act as Marshall of Convocation.

6.3. Senate Office

There is a Senate Office with responsibility for:

- (a) Managing the affairs of the Senate
- (b) Maintaining the records of Senate, Senate Executive Committee, Academic Governance Committee, Medals & Prizes Committee, Senate Review Committee, and Honorary Degrees Committee; and maintaining archival copies of all Senate Standing Committee records, in coordination with Corporate Archives.
- (c) Coordinating faculty participation in Convocation.

Article 7. Senate Executive Committee

7.1 There shall be a Senate Executive Committee

7.2 Responsibilities

The Executive's duties are to:

- a. Arrange the agenda and plan the forthcoming business of Senate;
- b. Nominate Special appointments to Senate and the Clerk of Senate; and
- c. Undertake other tasks as assigned by Senate.

The Senate Executive Committee may be empowered by Senate to act on Senate's behalf as specified by an empowering motion.

Any action under this authority is reported to Senate at its next meeting.

Article 8. General Faculty Board

8.1 The General Faculty Board is a Committee of Senate. The role of the General Faculty Board is to provide a forum for discussion of issues of urgent and general concern to the whole Carleton academic community.

8.2 The membership of the General Faculty Board consists of all members of other Faculty Boards. The Clerk of Senate serves as Secretary of the General Faculty Board.

8.3 A meeting of the General Faculty Board can be called either by the President or by a petition from at least 25 members of the General Faculty Board. The petition is submitted to the Senate Office and must state the matter to be raised at the meeting.

8.4 The Secretary of the General Faculty Board will arrange the meeting as soon as possible, and in any case the notice of the meeting will be sent out within seven days and the meeting itself will occur within 21 days of the receipt of the petition.

8.5 The Secretary will call the meeting to order. The first item of business will be the election of a chair from among the members of the General Faculty Board.

8.6 The General Faculty Board may pass motions making recommendations for action by Senate. As well, an account of the proceedings of the General Faculty Board will be transmitted to Senate as a report to be appended to the Senate minutes.

Article 9. Senate Committees and Representatives

9.1. Introduction

In addition to the Executive, several standing committees of Senate exist. Senate is also required to appoint representatives to the Board of Governors and various joint committees, advisory committees, search committees and panels.

The composition of Senate Committees should represent the capacity, interests and energy of members appointed, but should not be based on a rigid representation from different areas of the University.

As far as possible, Senate committees are expected to delegate administrative matters to administrative officers and concern themselves primarily with matters of policy.

9.2. Standing Committees

The Standing Committees of Senate are:

- Senate Executive Committee
- Senate Quality Assurance and Planning Committee
- Senate Committee on Curriculum, Admissions and Studies Policy
- Senate Committee on Undergraduate Student Awards
- Senate Committee on Medals and Prizes
- Senate Honorary Degrees Committee

- Senate Library Committee
- Senate Educational Equity Committee
- Senate Review Committee
- Senate Academic Governance Committee
- Senate Undergraduate Studies Committee
- Student Academic Integrity Appeals Committee
- Student Academic Accommodations Appeal Committee

Senate Graduate Student Appeals Committee

The terms of reference and composition of these Committees are available from the Senate Office.

9.3. Nomination and election procedures

The Senate Academic Governance Committee directs the nomination and election process for Senate committee membership.

The Senate Office reviews the composition of the standing Senate committees annually in the spring, with a view to submitting, in April or May, a revised list of membership to Senate for ratification for the following academic year, beginning on 1 July. The Senate Academic Governance Committee is advised of vacancies.

All elected members of Senate will be canvassed each year about their interest in serving on Committees. An open Call for Nominations listing upcoming vacancies will be circulated to all faculty members in February or March. Following the nomination deadline, elections will be held for any contested positions. Additional nominations for remaining vacancies are filled upon the advice of line-Deans.

Senate committees may include members of faculty, students and members of the non-academic staff. In special cases, non-university members may be included. Nominations must clearly state the status and affiliation of the nominee.

As a general rule, new members of faculty are not nominated to Senate committees during their first year of appointment to the University. Similarly, as a general rule, students in their first year of study at Carleton are not nominated to Senate committees. A student may serve on a Senate Committee without having been previously elected to a governance position under this policy.

In order to be closely associated with Senate, a faculty member nominated for Chair of a Senate Committee should, whenever possible, be a member of Senate. Committee Chairs do not usually remain in office as chairs for more than three years.

The term of office on Committees is three years for faculty and non-academic staff, and one year for students. Committee members are eligible for re-election.

9.4. Committee Procedures

All members of Senate Committees have the right to vote. Except in the case of a tie, Chairs of committees do not normally vote. Resources to committees are not considered members and do not vote.

Chairs of Committees will be asked by the Clerk to report by a certain date every year any committee activity that has not already been reported to Senate, and to bring forward, at that time, any proposals their committees may have for changes to their composition and/or terms of reference. When the report comes to Senate, the Committee Chair is asked to be present in order to introduce and defend the committee's proposals.

The attendance of deputies for members of Senate Committees, and their voting power, are left to the individual committee Chair's discretion.

Observers and interested parties are normally allowed to attend Senate Committee and Advisory Committee meetings. However, questions of openness and publicity of Committee meetings are left to each Committee to decide.

Attendance: Any member of a Senate Committee, other than an *ex-officio* member, who is absent without prior stated cause from more than two successive committee meetings or more than half of the meetings in an academic year may be deemed to have relinquished the appointment. On receipt of a minute to that effect by the Clerk of Senate, the Senate Executive shall be informed that a vacancy exists.

9.5. Student Participation

At the level of Senate Committees, as a guideline, any matters referring to academic review of particular student files or cases are not proper subjects for student participation. If a Senate Committee wishes to exclude student members from discussions of matters other than academic review of student files, it must receive approval from the Senate before including it in the Committee's terms of reference.

9.6. Advisory Committees

Senate appoints some of the members for the following Advisory Committees:

Athletics Board
Technology, Society, Environment Committee
Ombuds Coordinating Committee

9.7. Representatives

(i) Senate elects two representatives to serve on the Board of Governors for three-year terms. Those eligible for election are the faculty members of Senate including elected, special appointment and *ex officio* members.

Article 10. Senate Policies

10.1 Senate may establish policies with scope within its mandate. As policies are established from time to time they are made available on the Senate website.

Article 11. Faculty Boards

11.1. Existence and Constitutions

The Faculty Boards are an essential part of the governance structure of the university and are mentioned in the Carleton University Act (see Sections 1(e), 21(1), 21(2), 22(c)). While maintaining extensive autonomy, these Boards are creatures of, and report to, Senate.

Each Faculty Board serves as the plenary academic organ of the Faculty or School to which it belongs. They are a forum for discussion and decision on academic concerns related to the students and programs within their scope.

The Faculty Boards, the component Academic Unit(s) of each Faculty Board, and the associated Administrative Unit are as follows:

Faculty Board	Administrative Unit	Academic Units (Department, School, Institute, or College)

Industrial Design Faculty Board	Faculty of Engineering and Design	School of Industrial Design
Information Technology Faculty Board	Faculty of Engineering and Design	School of Information Technology

Subject to the provision of any Bylaw in this respect, passed from time to time by the Board of Governors, Senate approves the existence and basic structure of each Faculty Board, including component Academic Units. In some cases, the faculty boards have agreed on formal constitutions appropriate to their individual circumstances. Senate approves these constitutions and any substantial revision thereof.

11.2. Responsibilities

Though each Faculty Board operates with autonomy in pursuit of the objectives and purposes of the University, certain responsibilities are assigned to all Faculty Boards. These include consideration of and making recommendations to Senate on:

- (a) New and revised academic degrees, programs and courses;
- (b) New or revised academic regulations;
- (c) The awarding of degrees, certificates and diplomas within its scope;
- (d) The establishment, deletion, renaming or reorganization of academic units responsible for the delivery of academic programs.

11.3. Composition of the Faculty Boards

Note that the following are minimum requirements and Faculty Boards may establish supplementary membership rules for themselves. Faculty Board constitutions are available on the Senate website.

Each of the undergraduate Faculty boards shall consist of:

- (a) The following persons '*ex officio*':
 - (i) The Dean of the Faculty or the Director of the School;
 - (ii) Every faculty member in that School, or in a department or School within that Faculty;
 - (iii) Those students who are elected or appointed members of departmental boards or school councils of that Faculty.
- (b) In the case of the Faculty Boards of the Schools of Architecture, Computer Science, Industrial Design, and Information Technology, those students elected to the Faculty Board in accordance with such regulations as set by the Faculty Board and approved by Senate;
- (c) Such other persons holding full-time appointments as professor, associate professor, assistant professor, and lecturer in departments or schools not within the Faculty or School as are appointed from time to time by the Faculty Board;
- (d) Such other students who are members of another Faculty Board and as are appointed from time to time by the Faculty Board.

11.4. Secretary of the Faculty Board

The Faculty Boards of the Faculty of Arts and Social Sciences, the Faculty of Engineering and Design, the Faculty of Public and Global Affairs, the Faculty of Science and the Sprott School of Business elect at least one of their faculty members to serve on Senate in addition to their *ex officio* representation. Some, but not all of these Faculty Boards establish a position of Secretary of the Faculty Board with responsibilities that depend on the Faculty Board. When one of these Faculty Boards elects a Secretary, that person is deemed to have been elected to serve on Senate as one of the faculty members elected to serve on Senate as described in Section 3.3.1.

11.5. Representation of First-Year Students

In addition to the students who serve as departmental representatives within the Faculty, the Arts and Social Sciences, Public and Global Affairs and Science Faculty Boards include one student elected from and by the first-year students in the Faculty.

11.6. Procedures

Each Faculty Board is required to determine, and have approved by Senate, the following minimum procedural rules: composition including participation by students, quorum rule, minimum frequency of regular meetings, and procedure for calling an extraordinary meeting. These procedures may be part of a comprehensive constitution for the Faculty Board. Contact the Senate Office for more information.

Article 12. Academic Units

12.1. Academic units

Faculty Boards are comprised of one or more academic units, listed in the chart in Article 11.1 above, that are referred to as departments, schools, institutes, colleges or the like, responsible for specific programs of instruction.

12.2. Departmental Board

12.2.1. Membership

All faculty members of the academic unit are members of the Departmental Board. In addition, students are elected as Academic Student Government (ASG) representatives on the Departmental Board. The number and distribution of ASG representatives is determined by the Departmental Board subject to the minimum indicated in Table 1. Exceptions to this minimum rule require the approval of Senate. Additional student representatives may be added to Departmental Boards; however, these will not be ASG members.

Table 1: Minimum Number of Departmental Student Governance Representatives

The Departmental Board may include, as it sees fit, representatives of the non-academic staff of the department and representatives of other departments.

Carleton Academic Student Government (CASG) Faculty Coordinators are allowed to participate in Departmental Board meetings that fall under their faculty if the appropriate Department Representative is unavailable.

For Engineering Departmental Boards one representative is elected by and from the fulltime Engineering students in first, second, and third years; one representative elected by and from the students in fourth year (departmental membership for Electrical Engineering students is determined by the Engineering project advisor's membership); one representative elected by and from the full-time graduate students; and additional students as desired by the Departmental Board.

12.2.2. Student Participation

At the department level, student participation takes place at least in the Departmental Board meeting and students shall be involved in all deliberations and decisions with the exceptions of: (1) appointments and other personnel matters of faculty and staff members; and (2) all academic review of individual student files. It is understood that student representatives to the Departmental Board shall take part in deciding how the department is to arrive at its recommendation to the Dean and the President regarding the selection of a chair, or the appointment of a new department member.

12.2.3. Student Elections

All students who are registered in undergraduate or graduate programs can vote on, and stand for election to, their Departmental Boards.

The election of departmental CASG representatives takes place in the fall as soon after registration as possible. The election is carried out by an appropriate student body under the supervision of the Senate Electoral Officer.

CASG representatives are elected for one-year terms and take office immediately upon being elected.

The group from which the departmental representatives are drawn and the constituency for the electors of those representatives are those students whose declared major or graduate discipline is the discipline of the relevant department. Students in first year who are undeclared may choose a department for voting purposes only. The department would have to be one in which they were enrolled in at least one full course. In the case of combined majors, the student selects only one department for voting purposes. Undeclared students, however, may not be candidates.

Article 13. Student Participation in Governance of the University

13.1. General principles

There is student participation on Senate and all Faculty and Departmental Boards as well as Senate and advisory committees subject to the restrictions in Section 13.2 below.

For the purpose of this policy "student" is defined as a person enrolled full-time or part-time in an undergraduate or graduate program at Carleton University. For the purposes of this document "part-time student" refers to any part-time undergraduate student who has successfully completed four full credits at Carleton University or to any part-time graduate student at Carleton University. All students, as defined above, have voting privileges in elections for CASG representatives.

Student representatives in their function as members of Departments and Faculty Boards should act as participants in their own right in the deliberations and decisions of these bodies, while at the same time serving to communicate ideas, views and suggestions between students and these bodies.

13.2 Exclusions

Unless explicitly determined by Senate, students do not participate in meetings or portions of meetings at any level, that are concerned with either (i) personnel matters of faculty or staff members; or (ii) academic review of individual student records.
