Title	R-ADM-Program-B.A. First Year Admission to B.A. (All)

Program Requirements

Admissions Information

Admission requirements are based on the Ontario High School System. Prospective students can view the admission requirements through the Admissions website at admissions.carleton.ca. The overall average required for admission is determined each year on a program-by-program basis. Holding the minimum admission requirements only establishes eligibility for consideration; higher averages are required for admission to programs for which the demand for places by qualified applicants exceeds the number of places available. All programs have limited enrolment and admission is not guaranteed. Some programs may also require specific course prerequisites and prerequisite averages and/or supplementary admission portfolios. Consult admissions.carleton.ca for further details.

Note: Courses listed as *recommended* are not mandatory for admission. Students who do not follow the recommendations will not be disadvantaged in the admission process.

Admission Requirements

Degrees

- Bachelor of Arts (B.A.) (Honours) (B.A.)(Honours)
- Bachelor of Arts (B.A.)

First Year

For B.A. and B.A. (Honours)
The Ontario Secondary School Diploma (OSSD) or equivalent including a minimum of six 4U or M courses. The six 4U or M courses must include a 4U course in English (or *anglais*). For applicants whose first language is not English, the requirement of English can also be met under the conditions outlined in the section "English Language Requirements" in the Admissions Requirements and Procedures section of this Calendar.

Biology
For the major in Biology in the B.A. program, in addition to the 4U English, a 4U course in Chemistry is required. Advanced Functions, and Calculus and Vectors are recommended.

Advanced Standing

Applications The cut-off average for admission **beyond first year** will be **assessed on their merits.** set annually and will normally be above the minimum requirement. Applicants must normally be *Eligible to Continue* in their year level, in addition to meeting the GPA thresholds described in Section 3.1.10 of the *Academic Regulations of the University*. Advanced standing will be granted only for those subjects assessed as being appropriate for the program and the stream selected.

Co-op Option

Direct Admission to the 1st Year of the Co-op Option
Co-op is available for the following Majors in the B.A. (Honours) degree: Anthropology, English, Environmental Studies, European and Russian Studies, French, Geography, Geomatics, History, Law, Political Science, Psychology, Sociology.

Applicants must:

1. **meet the required overall admission cut-off average and prerequisite course average. These averages may be higher than the stated minimum requirements;**
2. **be registered as a full-time student in the Bachelor of Arts Honours with one of the majors listed above;**
3. **be eligible to work in Canada (for off-campus work placements).**

Meeting the above requirements only establishes eligibility for admission to the program. The prevailing job market may limit enrolment in the co-op option. Students should also note that hiring priority is given to Canadian citizens for co-op positions in the Public Service Commission.

Note: continuation requirements for students previously admitted to the co-op option and admission requirements for the co-op option after beginning the program are described in the Co-operative Education Regulations section of this Calendar.

Applicants falling slightly below the cut-off average will be considered on an individual basis to determine whether there are special circumstances that would permit theiradmission.Students who feel that their high school grade average does not reflect their potential may apply to the Enriched Support Program (see the Enriched Support Program section of thisCalendar).

New Resources	No New Resources
Summary	1. With J. Sugar: implementing new Admissions Information paragraph which is common to all program admission pages; reworded Advanced Standing section to refer to chart showing minimum CGPA thresholds; improved formatting. 2. Co-op section updated to reflect current offerings.
Rationale for change	New boilerplate language has been written and inserted into all the degree-specific admission pages. The advanced standing section has been rewritten to incorporate ACE terminology and to include a link to the academic regulations so that minimum CGPA thresholds are accessible. The co-op section has been updated to reflect current program names, programs that offer co-op, and to remove the needless specification of concentration information.

Bachelor of Commerce (B.Com.) (Honours)
The Ontario Secondary School Diploma (OSSD) or equivalent including a minimum of six 4U or M courses. The six 4U or M courses must include **English (or *anglais*),** ~~English,~~ Advanced Functions, and Calculus and Vectors. Applicants who do not present with Calculus and Vectors must successfully complete **MATH 0009** ~~MATH 0009~~ at Carleton in the Fall semester of first year in order to be eligible to continue.

For applicants whose first language is not English, the requirement of 4U English can also be met under the conditions outlined in the **"English** ~~English~~ Language **Requirements"** ~~Requirements~~ of the Admissions Requirements and Procedures section of this Calendar.

Bachelor of Commerce (B.Com.)
No direct **entry;** ~~entry,~~ access is restricted.

Advanced Standing

Bachelor of Commerce (B.Com.) (Honours)
Applications for admission to the second or subsequent years will be assessed on their merits. Students must present a major CGPA of 6.50 (C+/B-) or higher, and an overall CGPA of 8.00 (B) or higher. Advanced standing will be granted only for those courses that are determined to be **appropriate.**

~~appropriate.~~

~~Students will not receive credit for courses graded belowC-.~~Current Carleton students may also be assessed for admission to second and subsequent years if they present BUSI 1001 and BUSI 1002 with an average of 8.0 or higher (with no individual grade below C +) and a **Major** ~~major~~ CGPA of 6.50 (C+/B-) or higher.

Applications by B.I.B. (Honours) students for admission to the second or subsequent years of B.Com. (Honours) will be assessed on their merits. Students must present a **Major** ~~major~~ CGPA and an **Overall** ~~overall~~ CGPA consistent with the Academic **Continuation** ~~Performance~~ Evaluation requirements for B.Com. (Honours) students. Advanced standing will be granted for those courses determined to be appropriate.

Bachelor of Commerce (B.Com.)
No direct entry. Access is restricted to students in the Bachelor of Commerce (Honours) and Bachelor of International Business (Honours). (See Regulations for Business.)

Co-op Option

Direct Admission to the First Year of the Co-op Option
Applicants must:

1. meet the required overall admission cut-off average and prerequisite course average. These averages may be higher than the stated minimum requirements;
2. be registered as a full-time student in the Bachelor of Commerce (Honours) program;
3. be eligible to work in Canada (for off-campus work placements).

Meeting the above requirements only establishes eligibility for admission to the program. The prevailing job market may limit enrolment in the co-op option.

Note: ~~Note:~~continuation requirements for students previously admitted to the co-op option and admission requirements for the co-op option after beginning the program are described in the Co-operative Education Regulations section of this Calendar.

The Ontario Secondary School Diploma (OSSD) or equivalent including a minimum of six 4U or M courses. The six 4U or M courses must include **English (or** *anglais)***,** ~~English,~~ Advanced Functions, **and** Calculus **and Vectors. Applicants who do not present with Calculus and** Vectors **must successfully complete** MATH 0009 ~~MATH 0009~~ **at Carleton in the Fall semester of first year in order to be eligible to continue.**

For applicants whose first language is not English, the requirement of 4U English can also be met under the conditions outlined in **the section** "English Language Requirements" in **the** ~~the~~ *Admissions Requirements and Procedures* **section** ~~section~~ of this Calendar.

Advanced Standing

Applications for admission to second and subsequent years will be assessed on their merits, subject to available spaces. Advanced standing will be granted only for those courses that are determined to be appropriate. Students must present an Overall CGPA of **8.00** ~~8.0~~ (equivalent to B average) or **better.**

~~better.~~

~~Students will not receive credit for courses with grades below C .~~Applications by B.Com. **(Honours)** students for admission to the second or subsequent years of B.I.B. will be assessed on their merits. Students must present a major CGPA and an overall

CGPA consistent with the Academic **Continuation** ~~Performance~~ Evaluation requirements for B.I.B. students. Advanced standing will be granted **only** for those courses determined to be appropriate.

The design of the B.I.B. program is premised on a full year of study abroad (at third year) after the preparations leading to it are successfully completed at Carleton. Students who are admitted with advanced standing may need to delay **their study** ~~the third-year~~ abroad **requirement** ~~requirements~~ until **first-** ~~first~~ and **second-year** ~~second year~~ curricula are **completed,** ~~completed~~ and consequently delay graduation.

Some transferred credits (normally electives) may have to be forfeited in order to meet the **third-year** ~~Third-year~~ Study Abroad Requirement of **a** minimum 4.0 credits completed during year abroad.

Program Requirements

Admissions Information

Admission requirements are based on the Ontario High School System. Prospective students can view the admission requirements through the Admissions website at <u>admissions.carleton.ca</u>. The overall average required for admission is determined each year on a program-by-program basis. Holding the minimum admission requirements only establishes eligibility for consideration; higher averages are required for admission to programs for which the demand for places by qualified applicants exceeds the number of places available. All programs have limited enrolment and admission is not guaranteed. Some programs may also require specific course prerequisites and prerequisite averages and/or supplementary admission portfolios. Consult <u>admissions.carleton.ca</u> for further details.

~~DegreeBachelor of Industrial Design (B.I.D.) Admission Requirements First Year The Ontario Secondary School Diploma (OSSD) or equivalent including a minimum of six 4U or Mcourses.The six 4U or M courses must include Advanced Functions andPhysics.Calculus and Vectors, Design Technology and Visual Arts are stronglyrecommended.Equivalent courses may be substituted between the old and new Ontario mathematicscurriculum.~~**Note: Courses listed as *recommended* are not mandatory for admission. Students who do not follow the recommendations will not be disadvantaged in the admission process.**

Degree

- **Bachelor of Industrial Design (B.I.D.)**

Admission Requirements

First Year

The Ontario Secondary School Diploma (OSSD) or equivalent including a minimum of six 4U or M courses. The six 4U or M courses must include Advanced Functions and Physics. Calculus and Vectors, Design Technology, ~~Technology~~ and Visual Arts are strongly recommended.

~~recommended.~~

Candidates ~~candidates~~ must present a portfolio of any kind of work that could demonstrate creativity and aptitude for the study of industrial design. **Detailed information about the portfolio requirements can be found at <u>admissions.carleton.ca</u>.** Attending an information session at the School is recommended.

Advanced Standing

Applications for admission **beyond first year** ~~to second or subsequent years~~ will be assessed on their merits and on space availability in the program. Advanced standing will be granted only for those courses that are determined to be **appropriate.** ~~appropriate and is subject to space availability.~~

Applicants will also be required to complete a portfolio which will assist in the evaluation of their suitability for the program. Detailed information about the portfolio requirements can be found at <u>admissions.carleton.ca</u>.

Co-op Option

Direct Admission to the First Year of the Co-op Option
Applicants must:

1. meet the required overall admission cut-off average and prerequisite course average. These averages may be higher than the stated minimum requirements;
2. be registered as a full-time student in the Industrial Design program;
3. be eligible for work in Canada (for off-campus work placements).

Meeting the above requirements only establishes eligibility for admission to the program. The prevailing job market may limit enrolment in the co-op option.

Note: continuation requirements for students previously admitted to the co-op option and admission requirements for the co-op option after beginning the program are described in the Co-operative Education Regulations section of this Calendar.

Note: Courses listed as *recommended* are not mandatory for admission. Students who do not follow the recommendations will not be disadvantaged in the admission process.

Degree

- B.P.A.P.M. **(Honours)**

Admission Requirements

First Year

The Ontario Secondary School Diploma (OSSD) or equivalent including a minimum of six 4U or M courses.

~~Advanced Standing Applications for admission with advanced standing to the program will be evaluated individually by the Program ManagementCommittee.~~Advanced **Standing**

Applications ~~standing will be granted only~~ for **admission with advanced standing** ~~those courses deemed~~ to ~~be appropriate to~~ the **program will be assessed on their merits.** ~~program. On admission, students will not receive credit for courses graded belowC-.~~Normally, **offers are made** ~~Continuation~~ to ~~second year will be guaranteed only to those~~ students **with** ~~who have~~ an overall CGPA of **9.00 (B+)** ~~7.00~~ or **higher.** ~~higher and a grade of B- or higher in PAPM 1001.~~ **Students must also present at least one of the following:** ECON 1001, ECON 1002, **or a second-year Political Science course with a minimum grade of B.**

Advanced standing will be granted only for those courses deemed appropriate to the program. Students ~~On admission, students~~ **will not receive credit for courses graded below C-.**

Co-op Option

Direct Admission to the first year of the Co-op Option
Applicants must:

1. meet the required overall admission cut-off average and/or prerequisite course average. These averages may be higher than the stated minimum requirements;

2. be registered as a full-time student in the B.P.A.P.M. **(Honours)** program;
3. be eligible to work in Canada (for off-campus work placements).

Meeting the above requirements only establishes eligibility for admission to the program. The prevailing job market may limit enrolment in the co-op option.

Note: ~~Note:~~ continuation requirements for students previously admitted to the co-op option and admission requirements for the co-op option after beginning the program are described in the Co-operative Education Regulations section of this Calendar.

New Resources	No New Resources
Summary	With J. Sugar: implementing new Admissions Information paragraph which is common to all program admission pages; improved formatting.
	In consultation with M. Francoli and D. Mendeloff, adding the Honours moniker to BPAPM so that it's clear that this is an honours degree, and for consistency with other calendar pages. Adding the word Honours makes it clear that this specialised four year degree is clearly identified as an honours program, and matches the existing naming convention found in the BJ, BHUM, BMus, BSW programs.
Rationale for change	New boilerplate language has been written and inserted into all the degree-specific admission pages. Language and formatting clean-up throughout.

Admission requirements are based on the Ontario High School System. Prospective students can view the admission requirements through the Admissions website at admissions.carleton.ca. The overall average required for admission is determined each year on a program-by-program basis. Holding ~~A student beginning~~ the minimum admission requirements only establishes eligibility for consideration; ~~final 5.0 credits towards an Honours degree must present a major CGPA of 6.50 or~~ higher averages are required for admission to programs for which the demand for places by qualified applicants exceeds the number of places available. ~~and an overall CGPA of 5.00 or higher, as calculated for graduation.~~ All programs have limited enrolment and admission is not guaranteed. Some programs may also require specific course prerequisites and prerequisite averages and/or supplementary admission portfolios. Consult admissions.carleton.ca for further details.

Note: Courses listed as *recommended* are not mandatory for admission. Students who do not follow the recommendations will not be disadvantaged in the admission process.

Degrees

- B.Sc. (Honours)
- B.Sc. (Major)
- B.Sc.

Admission Requirements

B. Sc. ~~Honours Program~~**Honours**

First Year

The Ontario Secondary School Diploma (OSSD) or equivalent including a minimum of six 4U or M courses. For most programs including Biochemistry, Bioinformatics, Biotechnology, Chemistry, Combined Honours in Biology and Physics, Chemistry and Physics, Computational Biochemistry, Food Science, Nanoscience, ~~Neuroscience,~~ Neuroscience and **Biology, Neuroscience** ~~Mental Health,~~ and **Mental Health, and** Psychology, the six 4U or M courses must include Advanced **Functions, and** ~~Functions and~~ two of **Biology,** ~~Biology,~~ Chemistry, Earth **and** ~~and~~ Space **Sciences,** ~~Sciences~~ or Physics. (Calculus and Vectors is strongly recommended).

~~Specific Honours Admission Requirements~~**Specific** ~~For the~~ **Honours Admission Requirements**
For the Honours programs in Earth Sciences, Environmental Science, Geomatics, Interdisciplinary Science and Practice, and Physical Geography, Calculus and Vectors may be substituted for Advanced Functions.

For the Honours programs in Physics and Applied **Physics,** ~~Physics~~ and for double Honours in Mathematics and **Physics,** ~~Physics,~~ Calculus and Vectors is required in addition to Advanced Functions and one of 4U **Physics,** ~~Physics~~ Chemistry, Biology, or Earth and Space Sciences. For all programs in Physics, 4U Physics is strongly recommended.

~~For the Combined Honours program in Chemistry and Computer Science, 4U Chemistry and Calculus and Vectors are stronglyrecommended.~~For Honours in Psychology, a 4U course in English is recommended.

For Honours in Environmental Science, a 4U course in Biology and Chemistry is recommended.

Advanced Standing

Applications for admission beyond first year will be assessed on their merits. Applicants must normally be *Eligible to Continue* **in their year level, in addition to meeting the GPA thresholds described in** <u>Section 3.1.10</u> **of the** *Academic Regulations of the University.* ~~Advanced Standing For entry to an Honours program after the completion of 5.0 included credits, a student must have a major CGPA of 5.50 or higher, an overall CGPA of 4.50 or higher and the recommendation of the Honours department orcommittee.A student beginning the final 10.0 credits towards an Honours degree must present a major CGPA of 6.00 or higher, an overall CGPA of 5.00 or higher and the recommendation of the Honours department orcommittee.A student beginning the final 5.0 credits towards an Honours degree must present a major CGPA of 6.50 or higher and an overall CGPA of 5.00 or higher, as calculated forgraduation.~~Advanced standing will be granted **only** for **those** ~~studies undertaken elsewhere when these are recognized as the equivalent of~~ subjects **deemed appropriate for the program and stream selected.** ~~offered at Carleton University.~~

B.Sc. ~~Major ProgramB.Sc.Program~~**Major and B.Sc.**

First Year

The Ontario Secondary School Diploma (OSSD) or equivalent including a minimum of six 4U or M courses. The six 4U or M courses must include Advanced Functions and two of Calculus and Vectors, Biology, Chemistry, Earth and Space **Science,** ~~Science~~ or Physics (Calculus and Vectors is strongly recommended). For the B.Sc. ~~Major inPhysics.~~**Major in Physics,** 4U Physics is strongly **recommended.**

~~recommended.~~

Advanced Standing

Applications for admission beyond first year will be assessed on their merits. Applicants must normally be *Eligible to Continue* **(EC) in their year level.** ~~Equivalent courses may be substituted between the old and new Ontario mathematicscurriculum.Advanced Standing For entry to aB.Sc.orB.Sc.Major program after the completion of 5.0 included credits, a student must have a major and core CGPA of 3.50 or higher and an overall CGPA of 3.50 orhigher.A student beginning the final 5.0 credits towards aB.Sc.orB.Sc.Major degree must present a major and core CGPA of 4.00 or higher and an overall~~

~~CGPA of 4.00 or higher, as calculated for~~~~graduation.~~Advanced standing will be granted **only** for **those** ~~studies undertaken elsewhere when these are recognized as the equivalent of~~ subjects **deemed appropriate for the program and stream selected.** ~~offered at Carleton University.~~

Co-op Option

Direct Admission to the First Year of the Co-op Option
Applicants must:

1. meet the required overall admission cut-off average and prerequisite course average. These averages may be higher than the stated minimum requirements;
2. be registered as a full-time student in the Bachelor of Science Honours program;
3. be eligible to work in Canada (for off-campus work placements).

Note that meeting the above requirements only establishes eligibility for admission to the program. The prevailing job market may limit enrolment in the co-op option.

Note: ~~Note:~~continuation requirements for students previously admitted to the co-op option and admission requirements for the co-op option after beginning the program are described in the Co-operative Education Regulations section of this Calendar.

New Resources	No New Resources
Summary	With J. Sugar: implementing new Admissions Information paragraph which is common to all program admission pages; reworded Advanced Standing section to refer to chart showing minimum CGPA thresholds; improved formatting.
Rationale for change	New boilerplate language has been written and inserted into all the degree-specific admission pages. The advanced standing section has been rewritten to incorporate ACE terminology and to include a link to the academic regulations so that minimum CGPA thresholds are accessible.
Transition/Implementation

Degree   Bachelor of Media Production and Design

Title   R-ADM-Program-BMPD

Program Requirements

Admissions Information

Admission requirements are based on the Ontario High School System. Prospective students can view the admission requirements through the Admissions website at admissions.carleton.ca. The overall average required for admission is determined each year on a program-by-program basis. Holding the minimum admission requirements only establishes eligibility for consideration; higher averages are required for admission to programs for which the demand for places by qualified applicants exceeds the number of places available. All programs have limited enrolment and admission is not guaranteed. Some programs may also require specific course prerequisites and prerequisite averages and/or supplementary admission portfolios. Consult admissions.carleton.ca for further details.

Note: Courses listed as *recommended* are not mandatory for admission. Students who do not follow the recommendations will not be disadvantaged in the admission process.

Degree

- Bachelor of Media Production and Design (B.M.P.D. Honours)

Admission Requirements

First Year

The Ontario Secondary School Diploma (OSSD) or equivalent including a minimum of six 4U or M courses. The six 4U or M courses must include English and one of Advanced **Functions,** ~~Functions~~ or Calculus and **Vectors,** ~~Vectors~~ or Mathematics of Data Management. Advanced Functions is recommended.

Advanced Standing

Applications for admission to the second or subsequent years will be assessed on their merits. **Applicants must normally be *Eligible to Continue* in their year level, in addition to meeting the GPA thresholds described in Section 3.1.10 of the *Academic Regulations of the University.* Advanced** ~~Advanced~~ standing will be granted only for those **assessed** ~~courses that are determined~~ to be **appropriate for the program.** ~~appropriate.~~

Co-op Option ‑

Direct Admission to the First Year of the Co-op Option
Applicants must:

1. meet the required overall admission cut-off average and prerequisite course average. These averages may be higher than the stated minimum requirements;
2. be registered as a full-time student in the Bachelor of Media Production and Design program;
3. be eligible to work in Canada (for off-campus work placements).

Meeting the above requirements only establishes eligibility for admission to the program. The prevailing job market (and thus the availability of co-op placement) may limit enrolment in the co-op option.

Note: ~~Note:~~ continuation requirements for students previously admitted to the co-op option and admission requirements for the co-op option after beginning the program are described in the Co-operative Education Regulations section of this Calendar.
