History
3.2.6 Minimum CGPA Requirements

To be Eligible to Continue (EC) in a degree program, the standard CGPA requirements used in the Academic Continuation Evaluation are presented in Table 1. Undergraduate degree students who do not meet the minimum requirements presented in Table 1 may be placed on Academic Warning (AW) or required to withdraw from their degree (WT, WY). See Section 3.2.1 Academic Continuation Evaluation of the Academic Regulations of the University.

See Section 3.2.1. The Standard Minimum CGPA Requirements for Minors, Concentrations, and Specializations are subject to the minimum CGPAs presented in Table 2. While Minors, Concentrations, and Specializations are not formally assessed in the Academic Continuation Evaluation, the same minimum CGPA requirements for continuation in a degree program may also be used to determine whether a student can continue in a particular Minor, Concentration, or Specialization. 1. Credits **Complete** are the course credits earned in the courses the student has completed, with either a passing or a failing grade, that would contribute to the credits required for graduation in the student’s program had they been passed. This The Program Credits include credits obtained through transfer, advanced standing, letters of permission, or exchange. The Program Credits Complete does not include courses from which the student has withdrawn.

2. Certain Honours degree programs may have different minimum Overall and/or Major CGPA requirements from those indicated above. Programs with exceptions are listed in Section 3.2.7 Additional ACE Information for Certain Degrees of the Academic Regulations of the University.

3. Students While Minors, Concentrations, and Specializations are not formally assessed in an honours program who meet the 15.5 credits complete threshold must refer to Section 3.4.6 Minimum CGPA Requirements for Graduation of the Academic Regulations of Continuation Evaluation, the University for important information about the Major CGPA assessment.

The standard same minimum CGPA requirements for Minors, Concentrations, and Specializations are not formally assessed for continuation in the Academic Continuation Evaluation, but a degree program may also be used to determine whether a student can remain continue in a particular Minor, Concentration, or Specialization.

### Summary

Table 2 has been edited so that it conforms to ACE, which means adjusting the completed credits thresholds.

### Rationale for change

### Transition/Implementation

**nataliephelan (03/10/22 10:23 am):** Rollback: Further edits now required in light of upcoming changes to Minor CGPAs. SCCASP previously approved the new version of Table 1 (switched axes, converted the thresholds into ACE terms and incorporated 0.25 credits) and the addition of a note referring students to 3.4.6 re: the 15.5cr major CGPA check.

**nataliephelan (03/10/22 10:54 am):** Summary from December 2021, when this proposal was first submitted. These edits were approved at SCCASP in their Dec 21/21 meeting, but have not yet gone to Senate. "Further ACE refinements. **Reoriented and retitled Table 1, and changed credit ranges to account for quarter credit courses. **Notes beneath Table 1 have been updated to better direct students whose program does not follow the standard ACE, and to draw attention to the 15.5cr Major check."

History
3.4.6 Minimum CGPA Requirements for Graduation

Students in an Honours program who have completed 15.5 credits or more, but have a Major CGPA less than 6.00, will be placed in a corresponding non-honours program where applicable, provided they meet the minimum overall CGPA required for continuation. The student may apply to change this program within the degree, as long as they would be Eligible to Continue (EC) in the subsequent program. Honours programs with no corresponding non-honours program will be assessed using the program rules reflected in Section 3.2.7 of the Academic Regulations of the University.

Note: students in the Bachelor of International Business (Honours) and Bachelor of Commerce (Honours) must refer to the Program Regulations for Business.

### New Resources

No New Resources

### Summary

Adding a sentence of explanation that students can be moved into a non-hons program when Major CGPA is checked at 15.5cr. Changed wording of line 4 in the table to remove reference to Major programs.

### Rationale for change

As the Major CGPA will not be checked at each ACE and therefore not used in coming to ACE decisions, adding this wording explains how students in an honours program will be moved to a non-honours equivalent (if available) on the basis that their major CGPA is not close enough to the graduation threshold.

### Transition/Implementation

**nataliephelan (09/30/21 1:37 pm):** In response to a question raised in SCCASP planning Sept 30/21, adding a draft sentence to cover off BIB and BCom (Hons), which do their version of "honours to general" at the point of graduation, not at 15.5cr complete.

**nataliephelan (10/25/21 2:51 pm):** In consultation with D. Nwakanma, E. Strathearn, V. Saveland: added "where applicable" to the first sentence, to account for certain Honours degrees that do not have a non-hons version available (e.g. Social Work).

**nataliephelan (12/13/21 12:08 pm):** Edited disclaimer re: 15.5 credit Major CGPA check to refer to the list of programs with exceptions to the standard ACE.

**nataliephelan (03/10/22 1:14 pm):** Rollback: Further edits required to accommodate the change to minor CGPAs.

**nataliephelan (03/10/22 3:02 pm):** This regulation was updated in December 2021 to include a reference to the 15.5cr Major CGPA check for Honours program in ACE; SCCASP approved this change on Dec 21/21 but it has not yet gone to Senate. **Summary:** Adding a sentence of explanation that students can be moved into non-hons program when Major CGPA is checked at 15.5cr. Changed wording of line 4 in the table to remove reference to Major programs. **Rationale:** As the Major CGPA will not be checked at each ACE and therefore not used in coming to ACE decisions, adding this wording explains how students in an honours program will be moved to a non-honours equivalent (if available) on the basis that their major CGPA is not close enough to the graduation threshold.

**nataliephelan (04/01/22 2:22 pm):** The changes to minor CGPAs will be pushed to 23-24, so I have reverted this proposal to its previous state which was approved at SCCASP on Dec 21/21.

**nataliephelan (04/05/22 10:07 am):** Per SCCASP April 5/22, Eng does not offer any concentrations or specializations at this time, so edited this cell in the table to read "n/a".
