Regularly Scheduled Break for Masters students

SCCASP approved in principle the addition of calendar language to the regulations tab of
individual masters programs in the graduate calendar that states:

"For immigration purposes, the summer term (May to August) for [PROGRAM NAME] is considered a
regularly scheduled break approved by the University. Students should resume full-time studies in
September."

This language would only be added upon request to FGPA by individual programs and with the approval of
the
respective line Dean, and would be entered by the FGPA Program Officer for the 2021-2022 calendar.
