What is Transition?

- University is a new chapter and very different from high school
- Students face many challenges, socially and academically
- Transition can be daunting, however we're here to support them
- It allows for personal challenges and change leading to growth and improvement

The 3 Pillars for Parent Success

Independence

- **For Students:**
 - Embrace responsibility for their learning
 - Use their increased independence wisely
- **For Parents:**
 - Provide room for students to make their own decisions
 - Support growth through learning from mistakes

Reassurance

- **For Students:**
 - Trust in their ability to overcome challenges
- **For Parents:**
 - Offer steady support and positive reinforcement
 - Embrace the university experience with assurance and a hopeful outlook

Connection

- **For Students:**
 - Form supportive relationships with peers and mentors
- **For Parents:**
 - Maintain open communication and support
