Student Experience Panel

Panelists

**What was your living situation in first year,
on res, off campus?**

What surprised you most about university life?

What do you wish you had known in your first year?

How was it transitioning to university versus high school?

Are you part of any clubs, teams, or student organizations? How has that shaped your university experience?

Thank you!

Questions (WILL NOT BE IN FINAL SLIDESHOW)

- What was your experience with living situation in first year, on res, off campus?
