Spring Break

—2024—

Rocket Stone is a small business that prides itself in making an incredible scone! They offer everything from the classic tastes to new and fun flavours for your taste buds. Have some Raspberry White Chocolate, Peach Crumble or Banana Flambe. What about Mexican Street Corn?

Did you know? *If you do not plan to eat their scones within 2-3 days, you can safely freeze them and save them for a rainy day!*

What you'll get:

SCONE BASKET
(valued at \$40)
