**Pop Culture, Indigenous Feminism  
and Settler Colonial Studies**

With Laura Hall

*What is settler colonialism and how do we apply an Indigenous feminist lens to its study? Why analyze popular culture or cultural production more generally?*

*We will examine the **music** of Taylor Swift, **television shows** like *Stranger Things*, *Riverdale* and *Buffy the Vampire Slayer*, and **films** like *Scream 1-5*, *Hocus Pocus 1-2*, and *Avengers: Infinity War*. Indigenous feminism and the horror film genre will be a particular focus in this course.*
