**Phenomenology for Anthropologists and Sociologists**

**Instructor:** Bernhard Leistle  
**Email:** [Bernhard.Leistle@carleton.ca](mailto:Bernhard.Leistle@carleton.ca)

**Method of Delivery:** In-person

**Course Description:**

This seminar builds theoretical and methodological bridges between phenomenology and anthropology/sociology. Students read key texts from, among others, Husserl, Heidegger, Merleau-Ponty, Plessner, Schultz, and Waldenfels and learn to apply concepts in research. Topics include body and senses, intersubjectivity and life-world, selfhood and otherness.
