

SOCI 2001A

Introduction to Qualitative Research Methods

Instructor	Dr. Laura Hall
Term	Summer 2024
Course Delivery	Online asynchronous
Email Address	laurajhall@cunet.carleton.ca

COURSE DESCRIPTION

This course will deal with qualitative research methods and methodologies. In this course, we will focus specifically on building understanding and engagement with decolonial theory, settler colonial studies, framework development, methods vs methodology, research ethics, and qualitative methodologies (though we will discuss some overlap with quantitative methods).

EVALUATION

1. Attendance and participation 10%
2. 2 reading summaries 45% x2
