<b>Email Address</b>	<a href="mailto:reyhabpatel@cunet.carleton.ca">reyhabpatel@cunet.carleton.ca</a>

### COURSE DESCRIPTION

SOC1002 will allow students to build on the knowledge acquired in SOC1001 through introduction to sociological analyses of social institutions and the effects on our lived experiences. Students will engage in sociological inquiry into current issues in Canadian society. Topics may include and are not limited to urbanization, education, crime, globalization, media, social movements and environment. Throughout the term students will develop academic research skills, identify key sociological theories, apply sociological theories and concepts to new and emerging social phenomena.

### EVALUATION
