

# Be a Volunteer Camp Counselor with children with cancer and their families!

You can make a difference in the life of a family affected by childhood cancer! Volunteers are a huge reason why so many children and families get to enjoy camp each summer and have the ongoing support of year round programs.

As a volunteer, you will have the opportunity to build wonderful relationships with amazing children and families, as well as make connections with other like minded people who want to make a difference in the world. Volunteering is an excellent opportunity to learn from others and offer your talents, while having a fantastic time!

Volunteers act as "Special Friends" at camp and are assigned to a family (at family camps) or to a couple of children (at Summer Kids Camp). It is your job to have fun and connect with your Special Friends while helping to integrate them into camp life. You also act as a camp counsellor, engaging with the children in all the camp activities.

Volunteers commit to 6, 8 or 11 days of camp. To get a current list of dates requiring volunteers, please email :
