**Process for Workplace Insurance for Post-Secondary Students on**  
**Unpaid Work Placements**

**Note: Prior to the start of the unpaid placement:** Placement Employers must return a signed copy of this to the student, who will return it to their departmental co-ordinator at Carleton University prior to the commencement of the unpaid work/education placement. A copy is to be kept by the placement employer.

The Ontario Ministry of Colleges and Universities provides WSIB coverage for Student Trainees enrolled in an approved program at Carleton University and participating in unpaid work placements with employers who have WSIB coverage.

For placement employers without WSIB coverage, the Ministry provides private insurance for Student Trainees.

Carleton University has also arranged for private insurance coverage for students who attend placement opportunities that are not covered under either WSIB or Ministry's private insurance plan.

**Declaration**

By signature of an authorized representative, the Placement Employer hereby agrees to the following:

That it will immediately report to the department of Risk and Insurance at Carleton University at [Risk@Carleton.ca](mailto:Risk@Carleton.ca) or 613-520-2600 and the departmental co-ordinator any workplace injury or disease involving a student on an unpaid work placement and:

- Where the Placement Employer is covered by the WSIB, the Placement Employer will comply with all WSIB reporting procedures.
- If the Placement Employer is not covered by the WSIB, then it will comply with the Ministry's private insurer's reporting procedures found in the Ministry's "Guidelines for Workplace Insurance for Post-Secondary Students of Publicly Assisted Institutions on Unpaid Work Placements" at:  
<http://www.tcu.gov.on.ca/pepg/publications/placement.html>

When the Placement Employer is covered under the Workplace Safety and Insurance Act, a [Form 7](#) and a [Letter of Authorization to Represent the Placement Employer](#) will be completed and submitted to Robin Karuna, WSIB Program Administrator at Carleton University at [Robin.Karuna@Carleton.ca](mailto:Robin.Karuna@Carleton.ca) within three days of learning of a work-related accident.

The Placement Employer agrees that it will provide the Student Trainee with health and safety training and take appropriate precautions to ensure that the Student Trainee is supervised in order

to protect the Student Trainee from health and safety hazards that may be encountered at the placement organization, as required under the Occupational Health and Safety Act.

In the event of a claim, the Placement Employer agrees that it will review the Student Trainee's restrictions and, where possible, modify the program as required in order to accommodate the Student Trainee to facilitate return to the program.
