Workplace Safety and Insurance Board or Private Insurance Coverage For Students on Program-Related Unpaid Placements

Student coverage while on unpaid placement:

Note: Prior to the start of the unpaid placement: This Agreement must be completed and signed by the student to indicate the Student Trainee's acceptance of the unpaid work placement conditions, and a copy provided to their departmental co-ordinator prior to the commencement of the work placement.

- The Ministry provides private insurance for Student Trainees and limited coverage for placements outside of Ontario (international or other Canadian jurisdictions).
- Carleton University has also arranged for private insurance coverage for students who attend placement opportunities that are not covered under either the WSIB or the Ministry's private insurance.
- Students are advised to maintain insurance for extended health care benefits through the CUSA/GSA Student Health & Dental Plan or other group or private personal insurance plan. (<http://carleton.ca/health/insurance/>)

Please be advised that in the event of a workplace injury or disease where a claim is being made, Carleton University will be required to disclose personal information relating to the unpaid work placement and any WSIB claim or claim made through the Ministry's private insurer.
