How to plan and promote events

Updated September 5, 2019

There are 4 steps to consider when planning and promoting your event:

1. Preparations (date, location, funding, catering, technology and technical support)
2. Publicity within the Department, SSAC, across campus and external
3. Poster development
4. Additional communication resources

Step 1: Preparations

1. Check **dates** with the Undergraduate Administrator to avoid conflicts with other events.
2. Reserve a **room** with the Undergraduate Administrator (Departmental space or other room on campus).

*Note that fees may apply to certain rooms and specific technology requirements (ex. River Building Theatre, RB 2200 costs \$350 per day, \$400 per day for external organization)

[See room pricing chart.](#)

3. Most events require **funding** for items such as catering, room booking, technology (IMS), hiring projectionists, graphic services, printing, etc. Funds must be approved by the Director of SSAC during the initial planning stage. Please submit a detailed budget to Brian with a copy to Kristin.

Event organizers can collaborate with other departments on campus and ask for funding (see Kristin for all funding transfers). Please first speak with Brian before requesting funding from the Dean of FASS.

IMPORTANT POLICY CHANGES: Changes to Carleton University's [Hospitality and Working Meal Expenses Policy](#) were approved by the Senior Management Committee on Jan. 24, 2019. One of the main changes relates to alcohol at university events (hospitality or other). In line with the government's own policy, the updated policy states that alcohol expenses for university-funded events will not be funded except under exceptional circumstances **and will require advance pre-approval in writing from the vice-president (Finance and Administration)**. Please note that invoices or reimbursements for alcohol expenses that have not been pre-approved for events (hospitality or other) taking place after May 1 **cannot be charged to the university**.

Approval may be requested by submitting a [Request for Provision of Alcohol at Events form](#).

Any event, including functions for university employees (including seasonal or retirement events) that is expected to cost in excess of \$2,500 and is expensed to university operating funds **must receive prior approval by someone in a role senior to the host of the event, such as the appropriate chair, director, administrative director, dean, assistant vice-president, vice-president, or the president**. If you have questions about this policy, please email financial.services@carleton.ca.

4. **Catering** should be ordered through the Undergraduate Administrator using approved Aramark Services on campus. Food must be ordered at minimum one week in advance to avoid a \$50 delivery fee. Some food orders can be made without catering/delivery and may require pickup on the day of the event (ex. Pizza Pizza, Starbucks or Tim Hortons).
5. Specific technology may be required for events and related charges will apply, ex. sound speakers, microphones, video recording, etc. Once the room is booked, contact the Multimedia Technician to discuss technology required. Organizers may need to contact Instructional Media Support (IMS) for support. All orders for IMS must be placed a minimum of 48 hours in advance and fees apply. <https://carleton.ca/ims/carleton-university-event-support/booking-equipment/>
6. Events with film screenings may require **technical support** such as external projectionist (\$55/hr., 4hr min.), student projectionists (\$11.40/hr., 3 hr. min.) or other recourses. Please see the Multimedia Technician to confirm resources required.

7. Carleton Events Calendar, includes events across campus
Undergraduate Administrator will add the request on the Carleton Events submission module <http://events.carleton.ca/>

Step 3: Poster development and distribution

Faculty are responsible for poster production and distribution. This includes creating/editing/approving the text, providing imagery if available and making arrangements to distribute the posters across campus (the Undergraduate Administrator can assist). Please ask The Multimedia Technician, the School Administrator or the Undergraduate Administrator if the Film Studies or School logos are required.

1. There are three options for ordering the design and printing of posters:

Option 1: Through the Department of University Communications using the project request form: <http://newsroom.carleton.ca/resources-and-publications/project-request-form/>
There is no cost for the graphic design but the request must be submitted well in advance of your event (3-4 weeks) as this free service operates on a first-come, first-served basis and may not always be available. **Printing charges still apply.**

Option 2: Through the Print Shop by contacting 613-520-3625 or completing an online project request form at <https://carleton.ca/theprintshop/project-request-form/>. **This service costs \$60.00 per hour** plus the cost of printing.

Option 3: Contact the Multimedia Technician to create poster. **Printing charges still apply.**

2. To post: The Undergraduate Administrator manages our bulletin boards in St. Patrick's and has implemented a protocol for posting. Please leave posters in the Undergraduate Administrator's mailbox or deliver to 423B SP and she will post. Faculty are responsible for recruiting students to post posters outside of the department. Approval is not needed to post on the University's bulletin boards, but keep in mind that they are stripped at the end of every month. Maps of bulletin board locations can be found at: <https://carleton.ca/duc/resources/>
