## Resource Guide for Mental Health and Wellness

Carleton provides a wide variety of accessible resources and services that allow students to maximize and manage their mental health and wellness. This guide is meant to be flexible, where students are able to use supports in combination or move through the guide as needed.

### Thriving on Campus
Experiences positive mental health often, a sense of belonging and feels equipped with coping strategies to manage life’s highs and lows.

**Information, awareness and self-help resources:**
- Campus Involvement (CUx)
- Carleton Athletics
- Carleton Therapy Dogs
- CU Umbrella Project
- CUSA/GSA Support Services
- First Year Connections
- Mental Health and Wellness Website
- Spirituality Centre
- Wellness Services Navigator

### Everyday Stress
Occasional difficulties responding to academic, personal, social, financial or health issues.

**Education, skill building and social connections:**
- Awards and Financial Aid Office
- Centre for Indigenous Support and Community Engagement (CISCE)
- Centre for Student Academic Support (CSAS)
- Good2Talk
- International Student Services Office (ISSO)
- The Psychology Wellness Centre
- Wellness Events and Workshops

### Mild Mental Health Concerns
Experiences mental health challenges or levels of distress that often impact functioning, academics and/or social interactions.

**Prevention and early intervention:**
- Academic Advising Centre
- Community Connections Mentorship
- Empower Me (undergraduate students)
- From Intention to Action (FITA)

### Moderate Mental Health Concerns
Significant functional impairment due to frequent mental health challenges or levels of distress that have a greater impact on daily functioning, academics and relationships.

**Face-to-face support:**
- Care and Support
- Group Support
- Individual Counselling
- Ombuds Services
- Paul Menton Centre (PMC)
- Physician Mental Health Assessment

### Complex Mental Health Concerns
Complex mental health challenges that limit daily functioning and require specialized care, a treatment plan and/or monitoring.

**Coordinated care may involve:**
- Campus Safety Services
- Care and Support
- Individual Counselling
- Off-Campus Support and Referrals
- Physician Mental Health Assessment
- Same Day Crisis Counselling
