

## **E-Waste accepted items list**

### **Display Devices**

Computer monitors (Including CRT and LCD)  
Professional display monitors (Including CRT and LCD)  
Closed circuit monitor screens (Including CRT and LCD)  
Televisions (Including CRT, LCD, Plasma, and Rear Projection)  
Dual television and computer monitors (Including CRT and LCD)  
All-in-One (AIO) computers: a display device with an embedded computer

### **Desktop and Portable Computers**

Desktops Computers  
Computer terminals  
Desktops acting as servers  
Thin clients  
Microcomputers  
Minicomputers  
Laptops, Notebooks, Notepads, Tablet PCs

### **Computer Peripherals**

Replacement computer components and standalone products that are sold to the end user  
CD-ROM, DVD, HD-DVD and BluRay drives  
Floppy-disk drives  
Computer mouse  
Computer keyboards  
Wired cable, DSL, and ADSL modems  
Wireless modems  
Computer Scanners

### **Printing Devices**

Desktop printers and multi-function or “all-in-one” devices  
Portable PC-free photo printers  
Typewriters powered by AC power plug or by internal battery unit  
Camera dock printers  
Desktop label, barcode, card printers  
Point of Sale (POS) receipt printers  
Handheld printers such as calculators with printing capabilities or label makers  
Desktop copiers or copy & print devices  
Floor-standing office printers, graphics printers, wide-format printers and multi-function or “all-in-one” devices  
Floor-standing photocopiers and print devices

### **Telephones and Answering Machines**

Wire line telephones including rotary and touchtone technologies

Cordless telephones requiring an electrical base station/handset cradle for battery charging and wire-line network connection.

VoIP phones

Answering machines that utilize cassette-based or digital recording technologies

Cellular phones

Cellular phones offering camera, video recording and/or audio functions

Smart phones (cell-enabled)

Palmtop computers (cell-enabled)

Cell-enabled PDAs utilizing touch-screen technology

Cell-enabled handheld devices

Pagers

### **Image, Audio and Video Devices**

Audio cassette players and/or recorders

Combination cassette recorders and players

CD players and/or recorders

Digital Video Disk (DVD) players and recorders

MP3 Players

Other Digital Audio Players/ Recorders (DAP)

Video cassette players (VCRs) and/or video projectors

Analog and digital video cameras and recorders

Turntables (Record Players and gramophones)

AM/FM Radios

Digital and non-digital cameras, including webcams

Digital picture frames

Digital projectors

Home stereo amplifiers

Speaker systems, including computer speakers

Home stereo systems

Handheld personal computers

Devices commonly called Ultra Mobile PCs (UMPC) that utilize a touch-sensitive screen between 4" and 7", and that can operate the same software as a standard computer (i.e. Windows)

PDAs that are not communication-enabled or cellular compatible

Home theatre image, audio and video equipment

Vehicle speakers

Vehicle radios, CD players, DVD/BluRay players

### **Non OES that can be accepted at no cost**

Computer terminals that are embedded into non- OES Items

Other Computer peripherals and internal components

Routers, Network hubs, and other networking devices

Severs and server racks

Satellite networking devices

Telephony devices  
Non-electronic typewriters  
Other handheld electronic device  
Telecommunication equipment developed for embedded use in motor vehicles  
Commercial-grade "pay phones"  
Voicemail/answering machine devices that utilize a centralized networked system  
Telephone accessories including headsets and hands-free accessories  
Satellite phones  
Wireless devices that do not utilize cellular networks to operate  
Global Positioning Systems (GPS) for both portable and aftermarket vehicle installation  
Satellite, Cable, and Digital transmitters and receivers  
Non-audio optical disk-players  
Devices for which the primary design and function are for video-gaming purposes  
Wire and cables.  
Most Small appliances (primarily metal or metal plastic mix)

**Items that we cannot accept**

Automotive / Industrial Displays  
Non-rechargeable batteries (Alkaline Batteries)  
Oil filled (i.e. transformers)  
Medical Equipment (not declared biohazard free)  
Refrigerators, Freezers, or other cooling units containing Freon  
Refrigerators with Built-in Televisions  
Smoke Detectors  
Light bulbs of any kind
