Nomination Process

Who is eligible?

- TAs who are ALDS graduate students but TA for other units (such as Writing Services).
- The ALDS TA mentor is not eligible for this award.

Who should submit the nomination form/package?
- Nominations are welcomed from faculty, instructors and students.
- TAs may nominate themselves for the award but self-nominations that have meaningful support from faculty, contract instructors, or students in the course will be given more weight.
- Support from both students and faculty is preferred.
- We encourage nominators to provide as much detail as possible to show the ways in which the TA excels in the criteria listed below. Submissions that provide meaningful support will be weighted more significantly than non-specific compliments.
- Teaching materials can be included but should include a brief description of the context.
