The image contains information about Teaching and Learning Services for the academic year 2018-2019. It includes statistics on faculty development, blended and online learning, learning spaces, student success, and active learning classrooms.

**Faculty Development**
- 540 Workshop Participants
- 57 Certificate Graduates
- 99 Educational Development Consultations
- 135 New Faculty & CI Orientation Participants

**Blended & Online Learning**
- Online course registrations have nearly tripled in the last decade, with more than 28,000 registrations in 2018-19.

**Learning Spaces**
- **Classroom Usage**: 90% of all lecture-type classrooms at Carleton are in use during regular hours.
- **Active Learning Classrooms**: 85% of ALCs are in use during regular hours.
- **Classroom Renewals**: 15% of classrooms have been upgraded with enhanced technology, new furnishings, and brighter colors.

**Student Success**
- 9 Faculty awarded funding to develop initiatives with experiential learning components through CUEL.
- 71 I-CUREUS grants provided funding for students to engage in undergraduate research.
- 26 Courses adopted Collaborative Indigenous Learning Bundles to integrate Indigenous ways of knowing in Carleton’s classrooms.
