

cuLearn page setup

THE BASICS

Is it visible to students?
Is it set up in a user-friendly way?

WHAT'S THERE?

Course outline

Schedule

Quizzes

Assignments

Resources

HOW WILL STUDENTS ENGAGE?

Discussion forums - are the **subscriptions forced**?
Only those with forced subscriptions send emails
to students each time someone posts.

REVIEW & FEEDBACK

Did you turn off **review options for quizzes**?
How and when will students **receive feedback**?
How and when will you host your **office hour**?

DOES IT WORK?

Navigating all elements of the page in '**student mode**' to see if things work as expected will save you time and stress in the long run!

See the [cuLearn support page](#) to get started
