Job Posting: Contract Instructor TSES 4012 Science and Fiction: Creating Tomorrow

Course Description

TSES 4012 [0.5 credit]
Science and Fiction: Creating Tomorrow
Scenarios are used to speculate about the planned future. Science fiction and speculative fiction project ideas about imagined futures. Using readings from scenarios, speculative fiction and science fiction the course explores the mutual shaping of fiction, science and technology.

Qualifications

- Strong background in creative writing and familiarity with elements of forecasting
- Experience in multidisciplinary teaching, in particular teaching classes made up of students from all the faculties who have a wide range of literacy and numeracy skills
- Enthusiasm for the broad view of the TSES program

Procedure for Application

(From the Collective Agreement CUPE 4600 Unit 2) 15.3 All applicants must apply to the Department Head in writing and in relation to each course for which they wish to be considered. All applications must include an up to date CV, including a complete listing of all courses taught within the CUPE 4600 Unit 2 bargaining unit at Carleton University. Applicants shall not be required to submit more than one (1) CV to each department.
