---

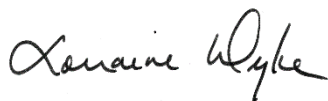

The Carleton University Committee on Quality Assurance (CUCQA) met on January 24, 2018 to consider the Action Plan Progress Report on the following programs:

- Bachelor of Arts in Sociology
  - General
  - Honours
  - Combined Honours
- Master of Arts in Sociology

The Committee wishes to thank the unit for their submission. CUCQA appreciated the detailed update and was fully satisfied with the document itemizing the progress made thus far. The Committee unanimously agreed that no further reporting is required.

The update report will be posted on the University website in accordance with Carleton's Institutional Quality Assurance Process and the provincial Quality Assurance Framework.

Congratulations on a successful review. Please do not hesitate to contact me should you have any questions or concerns.
