Executive Summary and Final Assessment Report**

This Executive Summary and Final Assessment Report of the cyclical review of Carleton's undergraduate programs in Mathematics and Statistics are provided pursuant to the provincial Quality Assurance Framework and Carleton's Institutional Quality Assurance Process (IQAP).

EXECUTIVE SUMMARY

The undergraduate programs reside in the School of Mathematics and Statistics, a unit administered by the Faculty of Science.

As a consequence of the review, the programs were categorised by the Carleton University Committee on Quality Assurance (CUCQA) as being of **GOOD QUALITY** (Carleton's IQAP 7.2.12).

The External Reviewers' report offered a very positive assessment of the programs. Within the context of this positive assessment, the report nonetheless made a number of recommendations for the continuing enhancement of the programs. These recommendations were productively addressed by the Director of the School of Mathematics and Statistics and the Dean of the Faculty of Science, in a response to the External Reviewers' report that was submitted to CUCQA on October 24, 2018.

An Action Plan detailing how, when and by whom the recommendations will be implemented was received and approved by CUCQA on February 27, 2019.
